

The Best Quality Contractor

A pair of blue denim jeans is shown from the waist down to the knees. Three construction tools are tucked into the right back pocket: a shovel with a metal head and wooden handle, a hammer with a wooden handle, and a pry bar with a metal head and wooden handle. The jeans are laid out on a dark surface, and several pieces of broken, light-colored concrete are scattered around them. A brown leather shoe is partially visible at the bottom right.
