

## **PUBLIC NOTICE**

Joe Shoemaker with Lydig Construction, 11001 East Montgomery Drive, Spokane Valley, Washington 99206 is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit. The proposed project, Costco Building Expansion, is located at 1725 South Burlington Boulevard in Burlington, in Skagit County. This project involves 1.17 acres of soil disturbance for commercial construction activities. The receiving water will discharge to ground with 100% infiltration.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this application, or interested in Ecology's action on this application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II antidegradation requirements under WAC 173-201A-320.

Comments can be submitted to:
