

Architectural Services – Request for Proposals (RFP)

Lopez Island Library District seeks Statements of Qualifications (SOQs) from qualified Architectural/Engineering firms for design and construction administration services for the Lopez Island Library Reroof Project, 2225 Fisherman Bay Road, Lopez Island, WA. The project includes replacement of the existing roof system and associated work to improve building performance, resiliency, and preservation of the facility's historic character.

SOQs shall be submitted electronically in PDF format no later than 2:00 PM local time on June 15, 2026.

Questions and proposal requests: Darren Hoerner, Library Director, darren@lopezlibrary.org, 360-468-2265
