

LEGAL NOTICE

WSDOT, Jared Bentley, 1019 Andis Rd Burlington, WA 98233, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, SR 20 Childs Creek CED Fish Passage Project, is located at State Route 20 (SR 20) milepost 72.85, in Sedro Woolley in Skagit county.

This project involves 13 acres of soil disturbance for Highway or Road, construction activities.

The receiving water is Childs Creek.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.
