

LEGAL NOTICE

Dean Wilson, 15600 NE 8th Street B-1, #124-Bellevue, WA 98008, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Wilson Residence, is located at 6887 West Shore Drive in Anacortes in Skagit County.

This project involves 2.59 acres of soil disturbance for new home, shop and garden area construction activities.

The existing county maintained ditch along West Shore Drive will continue to receive drainage from this site.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.
