

## LEGAL NOTICE

Rob Janicki, 103 N Township St. Sedro-Woolley WA, 98294, is seeking coverage under the Washington State Department of Ecology's (Ecology's) Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Batey Square, is located at 1010 Hodgkin St. in Sedro-Woolley, in Skagit County. This project involves 12.03 acres of soil disturbance for residential and commercial construction activities.

The receiving water(s) is/are Brickyard Creek.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this application, or interested in Ecology's action on this application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II antidegradation requirements under WAC 173-201A-320.

Comments can be submitted to:

Department of Ecology
