

LEGAL NOTICE

Aquatechnex, LLC., Terence McNabb, PO Box 118 Centralia, WA 98531-1944 is seeking modification of coverage under the Washington Department of Ecology WAG994114 General Permit for the waterbody known as Campbell Lake located in Skagit County.

Activities requiring permit modification include changing the fish timing to have better efficacy on the treatment of invasive *Potamogeton crispus* (Curly-leaf pondweed).

Any person desiring to present their views to the Department of Ecology regarding this application may do so in writing within thirty days of the last date of publication of this notice. Comments shall be submitted to the Department of Ecology. Any person interested in the Department's action on this application may notify the Department of their interest within thirty (30) days of the last date of publication of this notice. Comments may be emailed to aquaticpesticideperm@ecy.wa.gov or mailed to:
