

## LEGAL NOTICE

BYK Construction, PO Box 619 Sedro Woolley, WA 98284, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Chuckanut Landing, is located at 757 N Burlington Blvd in Burlington in Skagit county.

This project involves 1.246 acres of soil disturbance for Commercial, Utilities, construction activities.

Some discharges and runoff goes to ground water. The receiving water is Joe Leary Slough.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.
