Two to Watch

Cole Meacham, OL/DL

Meacham is bigger than he was a season ago by about 30 pounds,

and should be a force on both sides of the ball. He'll look to stay healthy this season following a knee injury last season.

Tyler Hansen, OL/DL

Hansen will be a handful on both sides of the ball. Centers and noseguards

alike will have their work cut out for them as they try to contain the 338-pounder.
