Eveline Eaton MULTI-MEDIA SALES CONSULTANT

Eveline has been with the Green Valley News for almost 7 years. She tried retirement for two months and had to return. She loves her job as an advertising consultant.

"It's so satisfying to help customers meet their advertising expectations."

In her spare time, Eveline loves to hike in the Santa Ritas. Her hiking log book has hundreds of miles logged in it. She knows the trails like the back of her hand and has a few of her co-workers enthused about it too.

"I live to hike another 5 miles."

She moved to Green Valley from many places including Europe, California, Washington and even a sailboat in Mexico. On a whim, she ended up in Green Valley and has no regrets.

"Working for the Green Valley News has been a great experience, I couldn't imagine doing without it."

"It's so satisfying to help customers meet their advertising expectations."
