DRU SANCHEZ PUBLISHER

Dru has been publisher of the Green Valley News/Sahuarita Sun for four years and loves the community and meeting new people.

“Our events give me an opportunity to meet more people, which is one of the best parts of my job,” she says.

Dru moved from California in 2007, where she worked for the Los Angeles Times for 21 years. She worked at the Arizona Daily Star for seven years “and now to this amazing community newspaper where we provide local news and information to this wonderful community.”

In her spare time she loves to travel — she just returned from Maui — and enjoys time with her children and grandkids. She also does some hiking, reading and cares for her mom.

Our events give me an opportunity to meet more people, which is one of the best parts of my job.
