ANDREA KLINGBERG

SENIOR MULTI-MEDIA SALES CONSULTANT

Andrea has been with the Green Valley News for three months and brings more than 20 years of experience in the multimedia arena with newspapers in five states.

She's enjoyed building relationships and helping hundreds of businesses grow through multimedia advertising.

She cites as one of her big accomplishments going back to school and graduating with two Bachelor of Science degrees at the same time with Magna Cum Laude honors at age 50 from Eastern Oregon University.

"It wasn't easy at this age! The greatest feeling besides inspiring my daughter to go back to college, was when the dean handed me my two degrees and called me an 'overachiever,'" she said.

Her daughter and two grandsons keep Andrea young-at-heart, and she loves spending her off time with them playing sports — she loves golf — riding and camping back home in SW Washington.

"I look forward to getting out and meeting more people in the community. Everyone has been so kind and welcoming so far," she said.
