## DAN SHEARER EDITOR

Dan has been editor of the Green Valley News/Sahuarita Sun since 2009, and calls it the best job he's ever had.

He has worked at papers in California, Texas and Arizona, and carries out two roles in Green Valley — editor and editorial director for Wick Communications, which puts him on the road on occasion to the company's 27 papers in 11 states. But he loves being home in Green Valley the most.

"My favorite part of the job is the people," he said. "Everybody here has a story and I love to hear and share them."

He is married to Carol, and they have three grown children and are enjoying — and still getting used to — an empty nest.

Everybody here has a story and I love to hear and share them.
