BEHIND THE SCENES

Let us introduce you to the people who bring you the **Green Valley News**

Sarah Keith has been with the *Green Valley News/Sahuarita Sun* for more than 10 years, but if you look closely, you can trace her connection to the community back a lot further.

Sarah is the Sales Supervisor, overseeing the advertising team. She found her way there after starting with the company in production/design.

When she was 5, she made the front page of the *Green Valley News* eating ice cream at the Green Valley library.

"I enjoy meeting different people from the community, hearing the story of how they came to Green Valley/Sahuarita, and helping their business grow," Sarah says.

"This is a very close and unique community and it's a pleasure to be a part of it."

Sarah loves to travel and visit new places, including several U.S. states, Germany, France and the Netherlands.

"I spent Christmas in Paris and New Year's in Amsterdam — great experience," she says.

She has lived in Southern Arizona, the Chicago suburbs and on an 80-acre ranch in Northern California raising cattle.

"When I'm not at the office, I spend my time reading and being with family and friends," she says.
