

**WESTERN NEW YORK
ENERGY**

SCALE ROOM OPERATOR

More Than a Job. A Team. A Purpose.

Western New York Energy is seeking a motivated Scale Room Operator who wants to learn, grow, and be part of a team that values safety, integrity, and respect. At WNYE, we are building a culture where curiosity is encouraged, people support one another, and growth is part of the job.

What You'll Do: Coordinate the flow of incoming and outgoing products, maintain accurate scale data and records, communicate with drivers and support daily operations

Schedule: Mon.–Fri., 7am–4pm; overtime required during harvest season

What We Offer: Starting pay \$21/hr., health & dental insurance, 401(k) with match, life insurance, wellness benefits

Requirements: Computer skills (Microsoft Office), Strong communication and customer service, ability to multitask and work independently, NYS driver's license, HS diploma/GED, desire to learn, grow, and continue developing.

Apply in person at **4141 Bates Rd, Medina, NY** or email resume to **jobs@wnyenergy.com**.
