

LIVINGSTON COUNTY WATER & SEWER AUTHORITY

WE ARE HIRING!

WATER/WASTEWATER MAINTENANCE WORKER

The Livingston County Water and Sewer Authority (LCWSA) is looking to hire a full-time Water/Wastewater Maintenance Worker. Job duties involve the operation and maintenance of municipal water distribution and wastewater collection systems throughout Livingston County. This includes maintenance and repairs on water and wastewater components. Experience operating motorized equipment is desired.

Fully paid health insurance and excellent benefits. Salary range is \$25.82 - \$28.50 and is negotiable based on experience. Overtime opportunities also exist. Additional pay and advancement opportunities are available for candidates who currently hold or want to obtain a CDL-A and Grade D and C Water Operator's Licenses.
