

Gott's Commercial Automotive Inc. is Hiring Automotive Service Technician

We are looking to hire an Automotive Service Technician to join us at our family owned, fast-paced, independent repair shop. Must have experience, NYS Inspection license, clean NYS Driver's license, tools to perform duties, good work habits and a good attitude. A tow endorsement is preferred but not required.

We are looking for a technician who has a strong ability to diagnose and problem solve issues on a variety of makes and models of vehicles. Duties will also include general maintenance and repairs, such as oil changes, NYS Inspection, brakes and suspension repair and replacement, minor engine and transmission repairs, electrical repairs, and replacing tires, and wheel alignments. Applicants must pride themselves on quality workmanship. Uniforms are provided. Pay based on level of experience and ability. 401(k) matching and ability to get overtime is also available.

Job Duties:

- Strong diagnostic ability. Must be able to diagnose electronics, mechanical issues, etc.
- General maintenance, including, but not limited to:
 - Oil and fluid changes
 - NYS Inspections
 - Brake and suspension repair and replacement
 - Minor engine and transmission repairs
 - Electrical repairs
 - Tire replacement
 - Wheel Alignments

Job Requirements:

- Must have prior experience
- Clean NYS driver's license
- NYS Inspectors License
- Tools to perform job duties
- Good attitude and work habits
- Friendly and professional appearance
