

MONROE COUNTY

New York

Proclamation

Dipper Dan has been a part of our community for 30 years, providing delicious ice cream to the residents and families of Monroe County. First established in 1989 by Harland 'Hank' and Marie Moffitt, Dipper Dan has been visited by thousands of new and returning customers. This well-established small business ranks among the best ice cream shops in the greater Rochester area.

Known for a wide variety of ice cream flavors and outstanding customer service, Dipper Dan is a community staple. They employ local high school and college-age students to provide them a fun summer job. Dipper Dan is so strongly associated with the Honeoye Falls and Mendon community that it has become the place for neighbors and friends to gather after big community events – concerts, soccer games and even just a warm summer night. Anyone who walks up to the store can see the smiling faces of families enjoying their ice cream in photos proudly displayed – a tradition started by Hank Moffitt that continues to this day.

Operating a small business requires skill, hard work and perseverance. To operate a business for thirty years is an incredible achievement, and this milestone is truly a testament to the Moffitt family. Hank and Marie's three children, Sue, Ginny and John, now continue to operate the business and are there each day to manage the store, make Marie Moffitt's famous waffle cones and help serve customers. Thirty years after first opening its doors, the vision Hank and Marie Moffitt had for Dipper Dan thrives – a happy place where people can come together to enjoy each other's company and great ice cream.

Therefore, I, Cheryl Dinolfo, Monroe County Executive, do hereby proclaim
Tuesday, June 4th, 2019, to be:

DIPPER DAN DAY

in Monroe County in celebration of thirty years of success!

Signed this 4th day of June in the year Two-Thousand and Nineteen
