MG

Mark & Tom - you both were asking for a boundary survey of the Marina project. See email and attachments below. This should provide you with what you're looking for. Please let me know if you need something different on this matter.

Thanks
Mychal

Mark -
One of the items requested from BLM State on Tuesday was anything we had related to survey information for the project and lease / patent lands. See attached legals that were done related to the boundary of the project. Please provide to BLM contact for their records and ask them if they need anything else along these lines.

Thanks!
Mychal
