

HAVASU CHRISTMAS TREE LANE

FRIDAY, DECEMBER 12, 2025 | TODAY'S NEWS-HERALD | PAGE B12

Each year, Lake Havasu City homeowners work hard to decorate their houses for the holidays, and many of them like to share their handiwork with the community. The News-Herald is pleased to present this year's Christmas Tree Lane map of holiday lights in Lake Havasu City. The easiest way to see all 31 locations is to start at No. 1 on the northside and follow the list below until you reach the London Bridge. (Or, if you prefer, follow the list in reverse-order.) When you're done and you've had your fill of holiday cheer, send an email to planner@havasunews.com with your favorite home. We'll tally the results and announce the winning house in the News-Herald's Dec. 24 edition. Happy holiday light viewing, and merry Christmas!
