PUBLIC NOTICE

KPUB is seeking 2-10 acre plots of land to either lease or purchase for solar development. Lessors with Commercial Service from KPUB may be eligible to receive some offtake from the project. The land should be within KPUB's service territory, have less than 10% grade, minimal shading or development, maintained access and be outside any flood zone or wetland. Purchase/lease is contingent upon use assessment and suitability. For additional details, go to www.kpub.com. Must complete and submit information form from KPUB website by 3/31/17 to be guaranteed consideration.
