

**NOTICE OF APPLICATION FOR GENERAL
PERMIT TO REMOVE OR DISTURB
SEDIMENTARY MATERIAL**

The City of Kerrville has applied to the Texas Parks & Wildlife Department for a general permit to remove or disturb less than 1,000 cubic yards of sand and gravel from and within the bed of the Guadalupe River in Kerr County. The purpose is to place eight thirty-inch diameter support piers for an aerial utility crossing. The location will be 175 feet downstream of the State Highway 534 bridge, also known as Veteran's Highway, and 6.5 miles upstream of State Highway 80, also known as San Antonio Street, in Center Point, Texas. Operations will begin no sooner than March 1, 2017. Written comments on this application may be made by mail to the Texas Parks & Wildlife Department Executive Director, care of Mr. Tom Heger, 4200 Smith School Road, Austin, TX 78744, or by calling Mr. Heger at 512-389-4583, or by e-mailing tom.heger@tpwd.state.tx.us.
