

DID YOU KNOW?

Many of the big chain stores often mark diamonds and jewelry up 500% or more. Example: Jewelers cost = \$500, sell price = \$2500. This is why many of the large retailers are often able to have half off sales. Example: Jewelers cost = \$500, sell price = \$2500, half off sale = \$1250.00. Diamond Dream Wholesale will beat all of these prices; generally we will be half of the half off sale, (\$625), or less.
