# Mining City neighborhoods light up for Christmas

**T**he Mining City loves Christmas, and that spirit combined with a little creativity and a lot of pride in our homes, blocks and neighborhoods, always produces memorable holiday displays.

Christmas brings out the child in all of us, and who can't remember the feeling of awe and joy when we first saw Santa in lights on a rooftop, or Frosty glowing in a neighbor's yard?

Today's children — and the rest of us — have plenty to enjoy around Butte this year. Whether you're on the way home from the store or taking a special cruise around the city to marvel at the hard work and beauty on almost every street, there's plenty of Christmas Spirit in visual form.

In this section are a few of our favorite examples.

Enjoy, and Merry Christmas!
