

# Helena Public Schools 2025-26 DISTRICT CALENDAR

Strong Schools. Strong Communities.

Independent Record

# From the Superintendent

Dear Helena Public Schools Families, Staff and Community,

The busy summer has flown by and I can't believe that it's already time to welcome our community's young people back to school.

I love the look, smell, and excitement of the first days of school. Our facilities staff has been refinishing, refurbishing, repairing and refreshing our buildings...how about HMS's beautiful new look!! Thank you to our facilities staff for their hard work.

Thanks also to our staff who led sports and activities camps, delivered Quest summer school for our youngest learners, engaged our SACC summer childcare students with amazing fun activities, and so much more.

Our educators have been busy advancing their own professional learning – from learning about STEAM using LEGO kits to developing literacy strategies for all students.

Community members have been hard at work educating the public on the upcoming bond election and I am excited about the possibility of launching a building project that would offer both elementary and high school students top quality facilities to match the top quality education they are currently receiving.

This is a time of excitement, anticipation (and, of course, a few jitters). We are welcoming our new educators to the district and, they, along with all of our returning staff are busy preparing classrooms, fields, labs and offices for our students' return. Our KinderSprouts program has expanded to six elementary schools. Fall high school sports teams have already begun practice in earnest in order to prepare for their first competitions. You'll find other examples of the many ways we support student growth in the pages of this calendar. Our goal is to help every student find their niche and reach their full potential.

I believe strong schools build strong communities, and strong communities build strong schools...and communication plays a key role in making that happen. This calendar is one tool we use to share upcoming school and sports events as well as other important district dates. You'll also find useful "nuts and bolts" information for this school year including breakfast and lunch program details, mental health support resources, school safety guidelines, and where to go for news and information. This year, the calendar is also available digitally at [helenaschools.org](http://helenaschools.org).

I am honored to serve this incredible community and can't wait to see what we can accomplish this year together.

Let's go!

# The Helena Education Foundation enhances the experiences of public education students and educators in Montana's capital city.

Helena Education Foundation sponsors a wide array of events annually.

Since HEF's inception in 2001, we've enriched our schools in a variety of ways:

- Over \$1,000,000 invested through grants to educators (601 Great Ideas Grants and SparkGrants, and \$215,000+ in special project grants)
- 14,540 books given to first graders and libraries through Fabulous Firsts
- 35,000 enjoyed and celebrated Carnival Classic
- 147 educators recognized through Let's Talk About Great Teachers
- 785 conversations with 5,512 youth and adults at Great Conversations
- 250 pounds of meat distributed and invaluable cultural lessons shared through the Helena School District's first-ever BisonFest
- 120,490 youth and families engaged and informed through 54 Issues Institutes
- 250 school and business collaborations forged through Trading Places
- \$20,550 awarded to 77 student authors through Harrison Writing Awards
- 1,105 student and teacher pairs honored at Celebration of Excellence
- 1043 student works published in Pen&Ink magazine

Key to HEF's innovation is our message that excellent public schools forge healthy communities and that this vehicle allows the entire community to invest time, assets and enthusiasm in the cause—"Great schools are everyone's business!"

# Student Mental Health Support

Just like physical health, mental health is essential for learning, growth, and success in school.

Helena Public Schools has expanded access to care with on-site mental health clinics now located at both high schools, both middle schools and several elementary schools.

These services are delivered in partnership with our trusted community providers:

- Elementary schools: Shodair Children's Hospital (Bryant, Central, Kessler, Warren) and AWARE (Broadwater)
- Middle schools: Pureview Health Center and Shodair (HMS), Indian Health Alliance and AWARE (CRA)
- High schools: PureView (CHS & PAL), Helena Indian Alliance (HHS)

The district continues to seek funding at the local, state and federal level to establish a full-scale, district-employed mental health team with enough therapists to meet the needs of every student and staff member at every school.

## Mental Health Screening Services

Helena Public Schools uses a "Multi-Tiered System of Support" to help ensure your student's academic and social success.

Our mental health screening services match students with the type and level of support to best meet their needs. Through early intervention, we can help students stay focused on learning. Students are screened twice a year. Notification is sent to parents before each screening with the option to opt out.

The "Character Strong Student Needs" screener is used for **grades K-5** to assess academic and emotional strengths and behavior of students.

Students **grades 6-12** are screened with the RBHI (Rural Behavioral Health Institute) screening tool, which can help identify signs of depression, anxiety and suicidality. Students who would benefit from therapy are promptly linked with care, including same-day services for those with urgent needs. Learn more at [www.rbhi.org](http://www.rbhi.org).

The Montana Cares App is now live! Students, staff and family members can use the portal to anonymously report school safety or mental-health concerns and to find community resources to help themselves, a family member or a friend.

Easy! Free! Anonymous!

1 Download the Montana Cares App from the Google Play or Apple App Store.

2 Select your school from the dropdown menu or enter the code provided by your school.

# Why Libraries?

Helena Public School libraries play a crucial role in supporting students' academic success and personal growth. They provide access to a wide range of books, digital resources, and research tools that enrich learning across all subjects. Beyond academics, libraries foster a love for reading, critical thinking, and independent learning. They also offer a safe and comfortable space for students to explore their interests, collaborate on projects, and develop lifelong literacy skills. Certified teacher-librarians create environments that are hubs of curiosity, creativity, and knowledge and that contribute significantly to a well-rounded education.

Programs like "Book Pals" foster early literacy by connecting students with community volunteers in a supportive library setting. Across the district, initiatives such as World Read-Aloud Day, Adopt-a-Species, LEGO clubs, podcasting clubs and so much more energize young readers and build a lifelong passion for reading and learning.

Middle school and high school teacher-librarians are crucial to student success, extending far beyond simply managing books. They serve as vital literacy advocates, fostering a love of reading by curating diverse collections that reflect students' interests and experiences, and recommending books tailored to individual needs and reading levels.

Beyond promoting reading for enjoyment, librarians are essential in teaching critical information literacy skills—equipping students to navigate the vast digital landscape, evaluate sources for accuracy, and use information ethically for research projects.

They're often the first point of contact for students working on research projects by providing hands-on guidance and support that empowers each student to become an independent learner.

Helena's school libraries are truly the heart of the learning community.

# Fine & Performing Arts

Helena Public Schools believes that a well-rounded education includes the fine and performing arts.

Helena Public Schools' arts programs not only enhance artistic skills but also promote critical thinking, collaboration, and cultural awareness – skills that will remain valuable throughout a student's life. For many, our arts education curriculum has served as the starting point to a career as a visual or performing artist. Our student musicians, thespians, photographers and other fine artists routinely earn top state and regional-level awards.

**Visual Arts:** Our visual arts curriculum spans from elementary through high school, offering experiences in drawing, painting, photography, ceramics, sculpture, digital arts, design and more. Students gain experience working in a variety of mediums and disciplines.

**Music:** Music education is a cornerstone of our fine arts offerings. Beginning in elementary school, students can participate in general music classes, learning the basics of rhythm, melody, and harmony. As they progress, students have the opportunity to join band, orchestra, and choir.

**Theater:** Our high school theater programs allow students to dive into the world of drama and stagecraft. From acting to technical theater skills, students gain a comprehensive understanding of what it takes to bring a production to life. Plays and musicals give students the opportunity to experience the dynamics of live performance.

**Helena High** earned the 2025 "Montana Outstanding Comedy Award" for their production of "The Importance of Being Earnest," by Oscar Wilde.

A performer with the Premiere Dance Company performs an excerpt from "The Nutcracker" at Jefferson Elementary.

## Community Arts Partnerships

In addition to our core programs and curriculum, Helena Public Schools collaborates extensively with local arts organizations and professionals, bringing in guest artists and performers to enrich students' educational experience. These valued community partners include the **Helena Symphony, The Myrna Loy, Cohesion Dance Project, the Holter Museum of Art, Grandstreet Theatre, The Bray and more.**

# Academics & Student Success

Helena Public Schools offer rigorous academic programs designed to foster students' future success whatever their plans hold – be it college, career, vocational training, military or other.

Beginning in kindergarten, student progress is tracked using state-of-the art data assessment tools. Teachers use these insights to tailor each child's education to their specific needs – providing extra challenges or extra support where needed.

At the high school level, students are offered a wide range of honors and Advanced Placement (AP) courses across English, math, science and foreign languages.

Our curriculum and teaching practices are designed to help each student reach their full potential.

## Student Spotlight

2025 Capital High School Graduate **Kathleen Cook** was among only 621 students nationwide to advance to the final round of the 2025 U.S. Presidential Scholars Program, which recognizes the nation's most academically distinguished graduating high school seniors.

Each year, approximately 4,000 students become candidates based on their SAT and ACT test scores.

## Honors and Advanced Placement (AP) courses offered:

**Honors:** English, Math, Pre-Calculus, Biology

**Advanced Placement (AP):** Chemistry, Language, Literature, US History, Government, Psychology, European History, Pre-Calculus, Calculus, Statistics, Biology, Human Geography, Environmental Science, Spanish, Computer Science, Physics, English

## 2024-25 by the numbers

5

### PRESIDENTIAL SCHOLAR CANDIDATES

Created in 1964 by executive order of the U.S. president, this program is one of the nation's highest honors for high school students. Candidates are selected based on SAT and ACT scores combined with essays, personal characteristics, leadership and service activities.

4

### NATIONAL MERIT SCHOLAR CANDIDATES

Selected on the basis of their skills, accomplishments and potential for success in rigorous college studies, these exceptional scholars represent less than one percent of high school juniors nationwide.

49

### VALEDICTORIANS

Students who maintained a 4.0 GPA throughout high school.

16

### SALUTORIANS

Students who earned one B, but otherwise maintained all As throughout high school.

28

### HELENA EDUCATION FOUNDATION DISTINGUISHED SCHOLARS

To qualify for nomination as a Distinguished Scholar, students must have a minimum of 14 credit hours of honors, AP, accelerated or college-level classes. They must also have a 3.7 GPA at the end of the 7th semester, among other requirements.

155

### 2024 NATIONAL HONOR SOCIETY 2024-25 INDUCTEES

The National Honor Society invites students to apply in the spring of their junior year based on a cumulative GPA of 3.5 or higher. Members participate in community service projects and other activities during their senior year.

# Our Educators

Our teachers and paraeducators are skilled professionals committed to helping every student achieve their full potential.

A hallmark of our district is our educators' commitment to continuous improvement, reflected in the impressive qualifications of our teaching staff – 276 teachers hold master's degrees, 55 hold both masters and National Board Certification and 2 are PhDs underscoring their commitment to professional growth.

Throughout the year, teachers and paraeducators participate in continuing education covering a wide array of subject areas, staying abreast of research-based best practices for student instruction in writing, reading, mathematics, the arts, social studies, media literacy, information technology and science.

## Helena Education Association

### Teacher of the Year

#### Lauren Gustafson Helena High School

Lauren is recognized as an education leader for her work both in and out of the classroom. She established the free Bengal Thrift Store for students and collected prom dresses. It was noted that Lauren is the "Freshman Whisperer". She teaches five periods of freshmen with humor, kindness and high standards.

## Helena Education Association

### Paraeducator of the Year

#### Shiloh Corcoran Helena Middle School

Shiloh was described by colleagues as compassionate, knowledgeable and always aware of student needs. The students adore her because she is upbeat and amazing.

# Special Education

Everything we do at Helena Public Schools is based on the belief that all children deserve the opportunity to reach their full potential. As our community's public school system, it is our responsibility to meet the educational needs of all in accordance with the federal Individuals with Disabilities Education Act (IDEA). Our district offers a rich array of programs to serve students with a diverse range of needs, beginning at age 3:

## Special Education Pre-School

Serves children ages 3-5. To qualify, children must be significantly delayed in one or more areas.

## Trailhead

Serves students in need of additional behavioral, communication and academic support.

## Functional Life Skills Program

Support for students with significant cognitive delays, intensive physical needs or other needs requiring significant support.

## Positive Behavioral Support Program

Support for students with intensive emotional and behavioral needs – designed to help students succeed academically and socially.

## Therapeutic Learning Center (TLC)

A partnership with Shodair Children's Hospital offering services for students needing intensive emotional and behavioral support.

Helena Public Schools therapists work throughout the district to give every child the opportunity to learn and thrive.

## Child Find Developmental Screening Clinics for Preschoolers

Helena Public Schools holds regularly scheduled clinics to identify preschool students ages 3-5 who may have special needs or developmental delays. This year's screenings will begin in October.

Please note that the clinics are intended to screen for areas of multiple concern. If you have concerns about your child's speech and language development only, please contact your neighborhood school.

# College & Career Ready

Helena Public Schools prepares today's students to be the driving force behind tomorrow's economy.

Our district offers 12 unique career pathways that prepare students for the specific skills necessary for success. We collaborate with business partners locally and beyond to align our curriculum with employer needs, ensuring that our graduates are workforce ready and able to compete for great jobs in rewarding careers.

The benefits extend beyond employment. A number of Montana-based employers cover full college tuition costs for skilled high school graduates.

## Dual Enrollment

Whether your student is pursuing a two-year or four-year degree, Dual Enrollment (DE) can help them **get there faster, for less.**

The Montana University System's "One-Two-Free" program allows high school students to take two college courses (6 credits) for free. Students may enroll in additional DE courses at the rate of 50% of two-year resident tuition. Students who demonstrate hardship may apply for a scholarship to cover tuition for additional DE courses. Our high schools offer Dual Enrollment opportunities in everything from accounting to theater, and from architectural drafting to culinary skills. Ask your school counselor for details.

In our rapidly evolving digital world, mastery of technology is no longer optional – it's essential for almost any career our students will pursue. Whether a graduate aspires to be a doctor, a carpenter, an artist or an entrepreneur, proficiency in digital tools and platforms is a fundamental skill.

And the district's technology needs go well beyond ensuring that students have access to learning devices. Today, technology drives almost everything we do, from checking out a library book, to making a phone call, to ensuring that security cameras and emergency communication systems are functioning to keep students and staff safe.

However, the district's technology levy, which was passed in 2004, is no longer sufficient to meet today's vastly changed technology needs. Our district continues to seek funding solutions to provide students and their teachers with these vital needs.

# School-Age Child Care - SACC

Now in its 33rd year, SACC is one of the largest licensed school-age child care programs in Montana. SACC provides safe, nurturing care and enrichment activities for students district-wide. Both before school and after school programs are available.

Our SACC program served a total of 370 kids grades K-5 during the 2024-2025 school year!

When the school year is over, our Summer SACC program continues to offer top-notch, full-day child care for grades 1-5 from across the district, offering indoor and outdoor play, field trips and educational activities to reinforce school-year academics.

# Partners in School Safety

Your student's safety is our district's highest priority. We want you to feel confident that your student is **safe and secure at school**. Here's what to expect in the event of an emergency and how you can be a **school safety partner**.

## TEXT NOTIFICATIONS

As a parent or legal guardian, you will automatically receive emergency text alerts unless you have opted out. If you have opted out and would like to change your text alert status, you can opt back in by texting "YES" to 87569.

## WEBSITE & SOCIAL MEDIA

Take a moment to bookmark our district website and follow us on Facebook & Instagram. Remember that emergencies can spawn rumors and misinformation. Be sure you're prepared to receive timely and accurate updates.

## REFRAIN FROM CALLING OR VISITING

Please refrain from calling or visiting your child's school during an emergency. Phone lines, staff, and roads are needed for the response. Please avoid calling or texting your child during an emergency so they can focus on following safety instructions.

## SEE SOMETHING? SAY SOMETHING.

Safe schools are everyone's responsibility. If you become aware of a potential safety threat, please report it immediately to a school official or law enforcement.

## Lock in Place

Students and staff stay in their current locations within a building, with interior and exterior doors locked.

### Activated For:

Suspicious persons, hallway disturbances or medical emergencies to ensure that emergency responders can access the affected individual without disruption.

## Shelter in Place

Students and staff take immediate shelter and exterior doors are locked.

### Activated For:

Potentially dangerous situations outside the school such as police activity in the school area.

## Evacuation

Building is evacuated in instances where conditions are safer outside.

### Activated For:

Fire, earthquake or other situations jeopardizing interior building safety.

## Severe Weather

Conditions warrant keeping students inside and/or implementing alternate transportation plans.
