Love horses? Come join us for our 10th annual Summer Horse camp! Campers learn all the basic skills they'll need to know on their lifetime adventure of safely enjoying horses. While attending, campers learn to catch, groom, care for, saddle, and ride their camp horse. They also learn to star, stop, turn and back their horses. Circle work and eventing, will also be introduced at speeds specific to each camper's skill and comfort level. We will ride in an arena and occasionally in a controlled field/trail environment. Horse control and safety are highlighted throughout the camp.

There are 6 weeks of camp available:
