

Notification of Incident

Helena Middle School

September 5, 2019

Hello HMS Families!

I'm sending this email to inform you of an incident that happened yesterday after school. The incident took place on the Lazy Green, across the street from the school. A student confrontation escalated when one boy brandished a knife. Other students took cell phone video, which is now being shared on social media.

Our administrative team is working with the involved students and their families. This incident is also being investigated by law enforcement. Our administrative team will continue to partner with law enforcement regarding this situation.

Ensuring student safety is our top priority.

Thank you!
