## TOWN PUMP FIREFIGHTER GRANT PROGRAM

**\$500,000 GRANTED TO THE FIREFIGHTER GRANT PROGRAM IN 2017!**

Town Pump recognizes the importance of firefighters and their dedication to helping others. The demand for equipment such as thermal imaging cameras, protective equipment, water tanks and more is enormous. In 2017, the Town Pump Charitable Foundation invited fire departments to apply for a Firefighter Grant to provide funds to purchase needed equipment. 90 grants, totaling \$500,000 were given as part of this program. The grants provided funding for a variety of needs including personal protective equipment (PPE), self-contained breathing apparatus (SCBA), hoses, tank lifts, thermal imaging cameras, radios, water pumps and gas monitors.

## MONTANA EDUCATION GRANTS MONTANA SCHOOLS RECEIVE MORE THAN \$2 MILLION SINCE 2000

Children are our future! At Town Pump we recognize the importance of supporting Montana schools in their efforts to provide quality-learning environments for our children.

A quality learning experience not only includes the basics of "readin', writin' and 'rithmetic" but also music, art, science, drama, athletics and computer technology. The Town Pump Charitable Foundation provides grants to schools for a variety of programs that might not have adequate funding, including Close-Up, summer reading programs, field trips, etc. Through our corporate giving, we support Newspapers In Education, Booster Clubs, Chemical-Free Senior Graduation Parties, After-Prom Parties, and many other extra-curricular activities.

Additionally, Town Pump sponsors schools across the state to participate in the ExxonMobil Education Alliance Grant Program. This program provides funding for math and science programs for elementary, middle and high schools.

Through the Town Pump Charitable Foundation and Town Pump's alliance with ExxonMobil, more than \$2 Million has been given to our Montana schools since the year 2000.

Over \$2 million given to our Montana schools since the year 2000.
