Congratulations to this year's Winners & Finalists

Every year for more than 20 years, the Independent Record has proudly conducted the "BEST OF HELENA" contest as a way to spotlight the best of what our community has to offer. It is an opportunity for you, our valued readers, to show support for your favorite businesses and individuals that make Helena and our surrounding area such a great place to live. Thank you to everyone who nominated and voted!

Each year, we strive to make the contest bigger and better, and this year is no exception. We are excited to announce that we received over 48,640 nominations and over 110,230 individual votes.

We would like to give a special thank you to this year's sponsors, their support has made our contest even more robust than in past years.

Best of Helena is an exciting contest we all look forward to at the Independent Record. It allows us to work with even more local businesses and help them implement creative marketing solutions with print, digital and agency marketing services. We appreciate the opportunity to work corroboratively with businesses and get them the recognition they deserve.

**WE ARE PROUD TO SERVE
 HELENA!**

This recognition means everything to us because it comes straight from the people we serve every day—our neighbors, friends and fellow Helenans.

At the heart of it all is **Frank Kolar**, whose leadership has shaped what **Kolar Tire & Auto** stands for. From supporting his employees like family, going the extra mile for every customer, or giving back to the community he calls home, Frank has always believed that taking care of people comes first.

From the shop floor to his service as a volunteer firefighter, his commitment to Helena shows in everything he does.

From routine maintenance to emergency towing, our team is committed to delivering honest work, dependable service and a level of care you can trust. Awards like these remind us why we do what we do.

To our incredible staff, *thank you* for showing up every day with dedication and heart.

To our customers, *thank you* for your **votes**, your **loyalty** and your **trust**.

Thank You for letting our family care for your family and friends.

2026 Montana Top Workplaces

Employee survey determines winners for workplace culture

Employees are the experts about their workplace. That's why earning recognition as a Montana Top Workplace is a big deal: It's based solely on employee survey feedback.

For the sixth year, employee survey firm Energage, based in Exton, Pennsylvania, sought to identify outstanding workplaces in Montana.

An employee engagement survey of 26 questions gathers responses regarding issues relating to workplace culture. Employers that score high enough are recognized as Top Workplaces.

View the rankings and profiles of this year's winners, and learn more about Top Workplaces, at topworkplaces.com
