THE BIG BLUE SKY INITIATIVESM

The blue sky is the limit to what we can do together to make everyone happy and healthySM. So Blue Cross and Blue Shield of Montana is launching a statewide Big Blue Sky InitiativeSM to help fight opioid abuse, rising suicide rates and meth and heroin epidemics that can get in our way of living healthier, fuller lives. The Big Blue Sky InitiativeSM is ready to put resources in the hands of the communities we serve, so we all get through this together.

By bringing health care providers, community groups and state government together to fight this fight, we can set a positive example for years to come. Because with everyone's help, there's hope.

Together the blue sky is the limit to what we can do to make everyone happy and healthySM.

A MESSAGE FROM OUR 2018 BOARD CHAIR

Jason Davis

Serving as the Board Chair this past year has been a true honor and privilege. I cannot thank my fellow board members and Chamber Staff enough for their thoughtful input, guidance and collaboration as we undertook an aggressive set of goals for 2018.

Prior to 2018, we met with many of our member businesses and asked them all, 'what are your top three business challenges you are currently facing?'. Overwhelmingly, the most popular response we received was regarding workforce development and career path readiness. While this is a great sign that the Helena economy is doing well, we have many members that cannot find qualified employees to help their businesses succeed. With that knowledge, the Board took an aggressive role to help solve this challenge and with help from many of our business and community members, the Helena WINS program was created.

Briefly, the Helena WINS (Workforce Innovation NetworkS) program is a program designed to Retain Talent, Recruit Talent and Develop Talent in the Helena workforce through industry specific and educational partnerships. The program is up and running and is currently engaging manufacturing, construction/ engineering, information technology and health care. Additional industry sectors will be added to Helena WINS as additional new sector 'champions' are identified.

We have two incredibly talented people in this community that deserve a tremendous thank you from all of us. Kelly Cresswell, Executive Director, Reach Higher Montana and Kirk Lacey, Interim CEO/ Dean, Helena College. These two leaders have both volunteered hundreds of hours in developing the Helena WINS program. With their leadership, our program is beginning to be noticed by other communities in Montana and is beginning to make a real difference in Helena.

Because I am also considered a 'young professional' in the business community, it was of great interest to me that our chamber engages and cultivates our future business leaders in Helena. Our Chamber's longevity and, our business community as a whole, is dependent on our emerging leaders. The board agreed and in 2018 we focused on re-branding and re-vamping our Young Professional Program. This program has taken on a new agenda focused on leadership

development, networking and mentoring and has been re-branded Helena Leadership Network (HLN). If you have employees that are looking for leadership development, networking opportunities and mentoring opportunities, please encourage them to join HLN! Thanks very much to HLN Co-Chairs Beth Brown, Pacific Quality Health and Kali Wicks, Blue Cross Blue Shield, for their leadership and time to develop the new HLN program!

While these are two of our largest accomplishments of 2018, other notable successes include:

- Our Awards Luncheon was our biggest ever with 416 people attending
- We had the inaugural 20 Under 40 Luncheon Event in August which had well over 200 people attend and was a great partnership success with the Independent Record

- We hosted many successful Wisdom Wednesday programs

- We moved our annual banquet to a Friday evening and in October. From all accounts, this year has been deemed incredibly successful with great compliments to our entertainer Jason Helwett!

- Leadership Helena continues to be one of our most popular programs and continues to be very successful in cultivating leadership in our community. We graduated our 34th class in 2018!

- We hosted another successful SWISH tournament with over one hundred teams participating in the tournament bringing an economic impact of over \$750,000 to the Helena community.

- We greeted and served 11% more visitors to the Chamber this year

- We revamped the Chamber's Logo: The gear in our new logo is representative of the Chamber 'driving the wheels of commerce' and the sleeping giant references that 'we have our eyes on the horizon and the future'.

We had an incredibly successful year and along with all the Chamber's programs and offerings, I look forward to seeing Helena WINS and HLN continue to grow and make a difference in our Chamber Members' businesses. I look forward to our new Board Chair, John McLaughlin, leading the Chamber through 2019. John is a very thoughtful leader who considers all of our members when making decisions and his wisdom and leadership will be a great asset to all of our Chamber members. Thank you to all who have helped to make 2018 a successful year for the Chamber and all Helena businesses!

A Look Back

Helena WINS Program off to Great Start

Professional Development is included with Wisdom Wednesdays

Annual Banquet moved to October

Helena Leaders Network Reboot

Economic Impact - Another successful SWISH Tournament

Inaugural 20 Under 40 Luncheon added

A MESSAGE FROM OUR 2019 BOARD CHAIR

John McLaughlin

I am extremely honored and humbled to have been chosen to lead the Helena Chamber of Commerce in 2019. The legislative session will likely introduce potential challenges for Helena's business community. However, I look forward to working with the Chamber to address those challenges head on and am excited for the year ahead.

Last year under the leadership of Jason Davis, much was accomplished. I am excited to build off of his excellent leadership and continued progress. Jason was a moving force in rebranding the HLN "Helena Leaders Network", formerly "Young Professionals". The objective of HLN is to encourage and empower new leaders in Helena to grow personally and professionally through mentorship and learning opportunities. They are off to a great start, and I hope to keep this dynamic group of young leaders focused and engaged. Jason also spearheaded the Helena WINS program. This program's focus is to work with businesses on how to attract, develop and retain talent within the workforce. Many thanks to Kelly Creswell from Reach Higher Montana and Kirk Lacy with Helena College University of Montana, whom worked with Jason to lay the ground work for this exceptional new program.

Looking forward, this year kicks off with the Legislative Session. Two hot button items that will lead many discussions are improvements to infrastructure and Medicaid expansion. Brent Rehm of DA Davidson, our Government Affairs Committee Chair, will work alongside the committee and Board to monitor the legislation and lobby for bills that ensure our business community will continue to prosper.

With record low unemployment rates and an aging workforce, a major obstacle Helena businesses continue to face is the lack of available workers.

As your community advocate for business, the Chamber will work towards solutions to entice individuals and families to relocate to our community. Helena has so much to offer with many lakes, trails, mountains and ski areas, local breweries and eateries – the recreational opportunities are endless. By working together, we can grow our workforce while meeting the needs of our members.

In order to keep the Chamber active for businesses, we need a strong membership foundation. We have an exceptional staff lead by Cathy Burwell as President and CEO. Cathy and her team are always working to improve the Chamber and looking for ways to better serve our membership. Wisdom Wednesdays provide excellent tools and tips for businesses in today's environment – I encourage all future and existing members to take advantage of these opportunities.

That said, how can you get the most out of your Chamber experience? Consider hosting a Business Before Hours or Business After Hours event. This is an excellent way to showcase your business and provide networking opportunities for your staff. The Chambers' Helena Leaders Network is also a great way for up and coming young professionals to get involved and grow their leadership skills. I have always felt the more you get involved, the more you will be rewarded.

With the assistance of Cathy Burwell, our President and CEO and her excellent staff, as well as our dedicated Board of Directors, I look forward to leading the Helena Chamber of Commerce to serve and promote our business community.

A Look Forward

FOCUS ON:

Workforce Development with Helena WINS

Growing Chamber Membership

Networking Important for all Businesses

HELENA

Area Chamber of Commerce

WHY JOIN THE CHAMBER?

CREDIBILITY

Raise your business reputation through membership. A Shapiro study indicated that nearly 70% of consumers would be more likely to do business with companies that they know were Chamber Members.

ADVOCACY

We work to inform, educate, and advocate on your behalf! Gain a say in what happens through our chamber's advocacy efforts. Keep "in the know" with our E-Advocate and City Commission reports.

COMMUNITY

Creating a strong, local economy means creating a quality of life that helps attract new talent & develops an environment that a growing workforce wants to live, play, and STAY in!

LEARNING & NETWORKING

You can access educational resources through the Chamber that will help you be a more informed employee. The Chamber can connect you to training opportunities and mentors to assist your business needs. Connect with peers through BAH, Helena Leaders Network, and Leadership Helena.

WORKFORCE DEVELOPMENT

Get on board with our Helena WINS program and help with Workforce challenges. Through the earn & learn talent pipeline employers can attract talent, develop talent, and retain talent in their business.

Getting fired up about efficiency.

Nestled in the foothills of the Rocky Mountains, the Archie Bray Foundation is a world-renowned and historic ceramics institute providing a unique place to create. With the help of an energy audit from NorthWestern Energy, the Bray received recommendations that will keep the facility running more energy efficiently. By implementing these practices, the Bray can better afford to be a gathering place for the community and its resident artists now and in the future.

Executive Board

John McLaughlin
(2019 Chair)
Stockman Bank

Why are you serving on the board and what do you like about it?

"First, I was honored to be asked to serve. Secondly with my position at Stockman Bank, it is very important not only to know what is going on in the business community but to also support it to the fullest extent. I always believe what you get out of things is shown by the effort you put into them."

Sara Medley
(2019 Chair- Elect)
Mountain-Pacific
Quality Health

What is the best benefit of the Helena Chamber for businesses?

"While there are a number of great benefits in being a member of the Helena Chamber, the best benefit for my company is a closer connection to the greater Helena community. This 'closer connection' has enabled Mountain-Pacific and its staff to be more recognized as a leader for driving innovation in health care."

Bob Heberly
(2019 Treasurer)
Dick Anderson
Construction

Why do you serve on the board and what do you like about serving?

"One of the things I love about Helena is that so many people volunteer, donate, serve on Boards, and give back to the community. I serve on the Chamber Board - and on other non-profit Boards - because it is my responsibility as a citizen of Helena to help make this the best community possible - and that means helping local businesses, schools, healthcare, government, and so many more aspects of what makes Helena a great place to live. I like serving on the Chamber Board because of the businesses and people I have gotten to know, and the issues we have tackled together. I believe that the Chamber makes a difference for our community, and it's good to be a part of that effort."

Jason Davis
(2019 Immed. Past Chair)
SMA Architects

Why are you serving on the board and what do you like about it?

"I chose to serve on the board because I strongly believe in community service and giving back to a community that has supported our business for many years. I also believe, as a small business owner, it's imperative that we are involved in cultivating the strongest pro-business community possible in Helena."

2019 Board of Directors

Stephanie Beckett
Great West Engineering

What is your favorite place to take visitors and why?

"I love taking people to the Cathedral and to the Gates of the Mountains because of its beauty and history behind both places."

Tyler Miller
Montana Radio Co.

What is your favorite thing about Helena?

"I love the genuine kindness of the people who live here. The smiles and waves make me proud to live in such a great place. Combine that with the amazing weather and outdoors and Helena can't be beat."

Kali Wicks (Ex-officio)
Blue Cross Blue Shield

What is your favorite thing about Helena?

"The people! I love that although Helena is a "big city" by Montana standards, it really is a close-knit community where people are friendly and willing to help one another."

Tim Uribe
KLG Engineering

What is the best benefit of the Helena Chamber for businesses?

"The Helena Chamber provides excellent networking and exposure for local businesses. When we know what services are available in our community, we can better support one another."

Dustin Lundstrom
Mt. City Plumbing & Heating

What is your favorite thing about Helena?

"My favorite thing about Helena is the opportunity for so many outdoor activities. The Helena area provides hundreds of outdoor activities in the surrounding area and you can find something to do within a short drive."

Janet Hedges
Raymond James Financial

What is your favorite thing about Helena?

"I love Helena because of the rich history that surrounds us. We have beautiful views in any direction. And most of all it's the people. The people are genuinely philanthropic and support our community."

Brent Rehm
D.A. Davidson

What is your favorite place to take visitors and why?

"I like to take visitors through the Mansion District to show them the old Mansions and show them the old Architecture Down Town."

2019 Board of Directors

Julie Dooling
Sullivan Financial Group

What is your favorite thing about Helena?
"My favorite thing about Helena is the diversity of activities for families and individuals. Helena has so many outdoor activities – hiking, biking, boating, skiing & snowmobiling in or near the valley and tons of Social and Cultural events."

Craig Aasved
Shodair Hospital

Why do you serve on the board and what do you like about serving?
"I serve on the board as I want to continue assure the business community is represented adequately, and to assure major issues are dealt with in a timely manner."

Maureen Oelkers
Big Sky Brokers

What is the best benefit of the Helena Chamber for businesses?
"Getting connected and informed about the Helena Business Community. Trying to "Be in the Know" and becoming engaged in the Helena Community on many levels."

Brian Obert (Liaison)
MBAC

What is your favorite thing about Helena?
"Helena is many things, but the best is that it is authentic. When I want a beer, I actually want a beer. Then I replace that word "Beer" with a dozen different authentic things and I am very happy doing that authentic thing."

Byron Stahly
Stahly Engineering

What is your favorite event in Helena and why?
"My favorite event would have to be Intermountain's Festival of Trees because of the mission of Intermountain and their passion and commitment to betterment of children's lives. Second, because the event affords everyone in the community the opportunity to come and see the beautiful trees and wreaths and enjoy the wonderful Christmas spirit."

Callie Aschim
Home 2 Suites

What is your favorite thing about Helena?
"Helena is incredibly welcoming which gives it a warmth of a small town but still has the amenities of a larger city. I love that Helena has maintained that "old town" charm but is focused on developing and improving the town. I think that the new breweries and restaurants that have opened give amazing options for the nightlife and we are so lucky to be so close to so much outdoor recreation."

Steve Mergenthaler
Mergenthaler Transfer & Storage

What is your favorite thing about Helena? What is your favorite place to take visitors and why?
"My favorite thing about Helena is the small homelike community that is full of hard-working people. When visitors come into town, I enjoy showing off our wonderful streams and lakes for fishing and drive to Marysville for a good steak and seafood!"

Kelly Cresswell
Reach Higher Montana

Why I serve on the board?
"I was asked to chair the Education Committee when I first joined the board, which is a great fit for the work I do at Reach Higher Montana. As the committee evolved to be part of the Helena WINS initiative, my board involvement has become even more meaningful to me. I think Helena WINS is a great way to collaborate with business, education, and government to help students increase their awareness of education and career opportunities available in our community and to help local businesses meet their workforce needs."

Tyler Ream (Ex-officio)
Helena Public Schools #1

What is your favorite place to take visitors and why?
"As much as I want to say outdoors, my favorite is taking people for a walk on a Saturday morning to get coffee/breakfast, to the Farmers Market and throughout downtown. I'd take Reeder's Alley for breakfast at Cottonop Pastries, coffee at Firetower or The HUB, hit the Farmer's Market and then back up Last Chance Gulch (and the walking mall) for a tour though all of the shops."

Beth Brown
Mountain-Pacific Quality Health

What is your favorite place to take visitors and why?
"Whenever I travel, what I love to explore most is the food different places have to offer. Helena hosts some truly great restaurants that allow me to treat visitors to an enjoyable meal—which helps set the scene for a great time together. For those who are interested, I also like to explore some of the Helena area history with visitors. Stories like our part in the country's expansion west, the gold rush, even how we became the state capitol are rich with adventure, drama, beauty and bravery, and those are always fun to share and reexplore with visitors."

Anna Kazmierowski
A2Z Staffing Solutions

What is your favorite event in Helena and why?
"The Mother's Day Pots and Plants Sale presented by West Mont Farm and Gardens and the Archie Bray Foundation has become a family tradition for us—we have been attending this event for ten years! It is a fun day for all ages where you can glaze pots and watch them get raku fired. You can shop for salsa and bedding plants from West Mont and purchase beautiful planters and vases produced at Archie Bray. There is also face painting, kid's clay and wood-fired pizza. It's no wonder this is such a popular community event!"

Reyna Cardenas
Boeing

What is the best benefit of the Helena Chamber for businesses?
"The best benefit of being a Chamber member is being part of a diverse and collaborative partnership with other businesses in Helena. It's been a great networking opportunity for Boeing and helped increase exposure that we are in the area. We have had great success aligning, developing and recruiting talent via Helena WINS (Workforce Innovation Networks)."

2019 Board of Directors

Col. Gregory Olson
Montana National Guard
(Liaison)

What is your favorite place to take visitors and why?

"My favorite place to take visitors is the downtown area. The downtown area is rich with history and the small local businesses have something for everyone."

John Cech
Carroll College

What is the best benefit of the Helena Chamber for businesses?

"My two months so far on the Board of the Helena Chamber has shown me that the best benefit is the opportunity to network and develop new partnerships that wouldn't exist without this organization. I have already made some great connections through the Chamber, and I look forward to making even more."

Ron Whitmoyer (Ex-officio)
East Helena Schools

What is your favorite event in Helena and why?

"The Last Chance Stampede and Fair is a fun community event that showcases all of the talents of the residents. It has something for everybody and brings good will to the local area and it's kids"

Jim McCormick (Ex-officio)
Lewis and Clark County
Commissioner

Why do you serve on the board and what do you like about serving?

"I enjoy the business community discussion and its diversity. It is the Chamber's membership that provides balance in public discourse, because of its diversity. This is invaluable for helping to guide advocacy efforts by reviewing community initiatives, pending legislation and regulations for their impact on the membership, the community and developing positions that will enhance economic growth."

Dr. Monica Berner
Blue Cross Blue Shield of MT

What is your favorite thing about Helena?

"Brings the best of both worlds together... small town and cosmopolitan. Great activities, arts, etc., while at the same time safe, comfortable, easy to navigate and friendly."

Kirk Lacy
Helena College

What is the best benefit of the Helena Chamber for businesses?

"Among the many benefits that local businesses can leverage through membership with the Helena Area Chamber of Commerce, I believe the best benefit is the ability to engage in the "Helena WINS" Initiative which helps employers address their priority workforce needs through innovative partnerships with Helena public schools, Helena College, Carroll College, Adult Education and other local education providers that combines classroom training with quality work based learning experiences that are strategically designed to fulfill the employer's talent attraction, talent development, and talent retention needs!"

Locally Owned. Community Strong.

2018 Chamber Business of the Year

Dick Anderson Construction

Dick Anderson Construction was founded in 1975 and has grown from a very small, private client company to a very large corporation that handles multi-million-dollar projects. A Montana (and Helena) based business, they have offices in Great Falls, Bozeman, Billings, Missoula, Sheridan, WY, and Redmond, OR.

They employ an average of 380 employees with 85 of those in Helena. Their mission is to build a progressive construction company of superior strength with an exceptional reputation for customer service and quality – and they have done exactly that!

They excel in all aspects of contracting and construction management including commercial office buildings, medical centers, large institutional renovations, higher education facilities, wastewater treatment facilities, banking facilities, bridges, dams and parking structures, historical renovations, ranch infrastructure, large residential projects and large retail projects.

They were named to the prestigious Engineering News Record Top 400 Contractors list for 2016, 2017 & 2018.

Clients. Community. Colleagues. That's what this company is all about. They are TEAM driven and strive to always be part of the solution!

Shodair Children's Hospital is now offering Outpatient Services.

Now taking appointments with our team of psychiatric professionals that include psychiatrists, registered nurse, services manager, psychiatric nurse practitioners, and a dietitian.

Make an appointment by calling 406.444.1125

Did You Know?

It takes more than 6000 hours of volunteer time each year to make the Chamber successful.

2018 George D. Anderson Business Person of the Year **Jason Davis** **SMA Architects**

Jason Davis of SMA Architects has been an active member of the Chamber since before he became a business owner. He has also been a very engaged business person in the Helena Community for many years.

He has a strong sense of community service and when he steps up to serve, he is not afraid to take the lead on big or tough projects and will put tremendous effort to ensure it makes a difference.

Under his and his business partner's leadership, the firm has seen tremendous growth through successful projects in many Montana communities. Unafraid of projects with great size and diversity, he, his partner and his team build a reputation of creativeness and award-winning design work that has produced significant and amazing buildings & projects. Some of their most recent Helena projects include the Blue Cross Blue Shield headquarters, the new Central Elementary School, the new East Helena High School and Robert Peccia and Associate's headquarters. He and his business partner, Tim Meldrum, have worked hard to create an amazing culture of success in their first decade of business ownership.

Jason has chaired the Board of Adjustments for the City of Helena and most recently was the Chair of the Board for the Helena Chamber. Under his leadership with the chamber, he has been instrumental in leading the board in endorsements to support the school bond levies and the jail bond levy. Both efforts made an impact on the successful outcomes of those important levies. His leadership has created a chamber board that is a true "working board" that has taken on important issues such as workforce development and a stronger young professional program called Helena Leaders Network within the chamber and for our business members. Also, during his term a tremendous new program to address workforce needs was created (The Helena WINS Program) and has become a very successful effort to help Helena Area Businesses with recruiting, training and retaining workers.

He is the perfect example of a successful "under 40" Helena business person who will continue to lead and help make Helena prosper for many years into the future.

Dustin Lundstrom
Montana City Plumbing & Heating

2018 Hospitality Hero
Kal Poole
Grandstreet Theatre

2018 Chamber Small Business of the Year

Chili O'Brien's Catering

Chili O'Brien's Catering is a business that has had an amazing long-term success in Helena due to a great partnership of its two owners.

Starting this business in the mid-1990's, they ran a couple of restaurants and then in 2002 they decided to utilize their talents to specialize and start the business as it is now. They challenged each other to make their business the best of their type in Montana, and we believe they have accomplished that.

Of the two partners (Bob Goetz & Tim O'Brien), Bob is Helenan and a Carroll Graduate where he was a standout football player and Tim is from Massachusetts and a culinary school graduate.

They present a unique skill set between them. They put in long hours year round in providing top quality, delicious food for events in Helena and all over the area. Many days, they are feeding 1000 people at six different events. Some of the large events that they do have included the Prickly Pear Land Trust's Harvest Moon, Florence Crittenton's Paint the Town Pink, Intermountain's Festival of Trees, Ducks Unlimited, Montana Democratic Party Dinner, The Helena Symphony Gala, and the Helena Area Chamber Annual Banquet. Plus they do many weddings, large and small.

This business also loves giving back to help support Helena and just completed a matching donation campaign for Helena Food Share.

They also support the Helena High Culinary Arts Program. They have a very loyal staff and credit their wives and families for their huge support.

HELENA CHAMBER'S YP'S TRANSFORM INTO HELENA LEADERS NETWORK

HELENA
LEADERS
NETWORK
connect • learn • grow

In early 2018, the Helena Area Chamber of Commerce made a commitment to prioritize the revitalization of its young professional's program, stressing the importance of millennial engagement. The effort has included rebranding and reorganization of the program formerly called the "Helena Chamber YP's". After bringing on board two volunteer co-chairs, Beth Brown (Mountain Pacific Quality Health) and Kali Wicks (Blue Cross Blue Shield) who worked for several months with chamber to develop goals, strategic action items, and new directions, the Helena Leaders Network (HLN for short) was created. The group officially launched in August of 2018.

HLN aims to capitalize on the opportunities offered by the Helena Chamber's wealth of knowledge, business connections, and social networks to empower aspiring leaders to grow and make positive changes in the Helena community. The main objectives of the group are:

- To encourage and empower new leaders in Helena to grow personally and professionally through mentorship and learning opportunities;
- To attract, retain, and develop young talent by showcasing Helena as a dynamic city where young professionals can live, work, and play;
- To embrace diversity and inclusion to foster connections in our community.

The Helena Leaders Network aims to provide programming designed to engage community members - primarily in the 21-45 age range - in the Helena area to improve both leadership and professional

development skills, along with growing social and business networks provides events designed to engage young people (21-45 yrs. old) of the Helena area and help them become more competitive in the business arena. The program helps young professionals establish a web of business contacts through networking and to grow both personally and professionally through a variety of program topics and venues.

HLN's team is made up of an Executive Committee and an Action Steering Committee. The Executive Committee provides support to all members of the Action Steering Committee to ensure appropriate resources are available for them to be successful in their roles and responsibilities. This includes fostering and maintaining positive working relationships, ensuring open communication and questioning, following up with other members about current and upcoming responsibilities or tasks, and being willing to step into whatever non-primary support role is needed to ensure operational success. The Executive Committee also ensures communication between HLN and the Helena Chamber of Commerce President and CEO and Board of Directors. The Action Steering Committee members work with other committee chairs and members of HLN to organize and facilitate events that promote recruitment and retention, professional and workforce development, community and social networking activities, and opportunities for civic engagement and charitable giving / volunteerism. Each action committee chair is responsible for organizing and executing 2-3 events per year.

The benefits of joining the group at numerous, running the gamut from personal and professional development, business startup skills, mentorships, and of course, good old-fashioned networking.

HLN has secured sponsorships to help cover the costs of the inaugural events and for defraying costs of future events. Membership and sponsorship fees also go toward event costs to make them more affordable, pay for speakers, and other program costs.

Individual memberships are available for \$50. If you are a business and are looking for some outreach for your business, you can send staff to HLN events and or sponsor their events. Please contact Alana at alanac@helenachamber.com for more information or visit www.helenaleadersnetwork.com.

Helena Leaders Network

SWISH Tournament

With hundreds of participating athletes and thousands of volunteers, parents and fans, the Helena Area Chamber of Commerce's two-day Youth SWISH Basketball Tournament gives the area a significant economic boost every year.

The tournament also gives the participating boys and girls in grades 2-8 a chance to hone their skills in a friendly competition with their peers from across the state.

Last year's tournament included 110 teams averaging eight players each, and 60 of those

teams were from out of town. The roughly 900 athletes were spread out among 11 area gymnasiums for 220 individual games over the two days.

The 24th annual tournament is scheduled for March 2-3, and registration forms are available at helenachamber.com.

For more information or to volunteer, contact the chamber's Vice President Mike Mergenthaler at 406-447-194 or email him at mmergenthaler@helenachamber.com.

Helena WINS

(Workforce Innovation NetworkS)

Attract Talent

Develop Talent

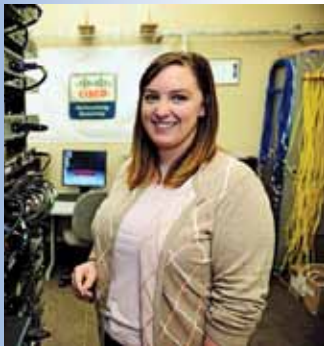

With record low unemployment and an aging workforce in Helena, it's never been more challenging to attract, develop, and retain talent. As the community advocate for business, the Helena Area Chamber of Commerce is addressing the most important issue facing our members - workforce development. We know Helena is a great place to live and work, and we also know the pool of available workers is small and employers are competing for capable employees. By working together, we believe we can grow our workforce and help meet the needs of area businesses.

to live and work, and to encourage target workers in specific demand occupations to consider Helena's career opportunities. Employer participants also have the opportunity to work collaboratively with other employers who have similar needs to develop training programs for "up-skilling" current employees and to build career advancement opportunities for their current workforce.

Contact the Helena Chamber of Commerce at info@helenachamber.com or call 406-442-4120. Businesses of all sizes are welcomed to participate in Helena WINS.

There are no defined fee structures associated with Helena WINS because this is an employer-driven initiative, participating businesses determine how much time they would like to devote to work-based learning programs and opportunities, and if additional resources are necessary, it's a business decision to invest in those specific strategies.

In May of 2018, the Helena Area Chamber of Commerce, Helena College, and Reach Higher Montana gathered a team of business, education, government, and community workforce development partners to launch Helena WINS (Workforce Innovation NetworkS).

If finding, training and keeping employees is a challenge for your business, Helena WINS can help!

Earn & Learn Talent Pipeline System

Retain Talent

Through the Helena WINS initiative, business, education, government, and community resource providers are encouraged to partner together to develop and implement "work based learning pilot projects" strategically designed to serve employer's priority workforce needs. Through these work based learning partnerships, employers collaborate with area high schools, colleges, universities, education centers, and other workforce development partners to create "earn and learn talent pipelines" that enable students to gain high demand workforce skills in a combination of classroom and on-the-job training.

Through the earn & learn talent pipelines, employers can attract talent, develop talent, and retain talent for their current and future workforce development needs. As a Helena WINS business partner, employers have a voice in the Chamber's efforts to promote Helena as a great place

20 Under 40 Luncheon

The 20 Under 40 awards are meant to honor those under the age of 40 who, through their industry and hard work, are moving the Helena community forward. For the first time in 2018, the Helena area Chamber of Commerce co-hosted with the Helena IR a celebratory luncheon for 20 outstanding men and women who received the 20 Under 40 awards.

Chamber Events

Every year, the Helena Chamber is excited to coordinate events that engage its membership and provide an enriching experience to those who attend. Whether it's the Business After Hours, the Chamber Annual Banquet or the Swish Basketball Tournament!

Volunteering your time is a great way to get involved! We are always in need of volunteers. So if there's an event where you can help, please contact the chamber at 406-442-4120.

Here are just a few events and activities Chamber members enjoy each year:

- Business AFTER Hours
– 3rd Thursday of the Month
- Wisdom Wednesdays
– 2nd Wednesday of every month
- SWISH Basketball Tournament
– March 2nd & 3rd
- Annual Golf Tournament
– May 15th
- Annual Banquet
– October 11th
- Lunch with Local Government
– March 21 and October 24
- 20 Under 40
– August 20th

Want more information on these upcoming events? Sign up for membership with the Helena Chamber. Email Joey Berndt at joey@helenachamber.com to get signed up!

Wisdom Wednesdays

Did You Know?

The Chamber holds 12 Business After Hours each year.

36 Years of Success Class of 2018-2019

As evidenced by its flagship Leadership Helena program, the Helena Area Chamber of Commerce is about much more than meetings and cocktail dinners.

In fact, those selected to complete the eight-month program are probably more likely to end up blindfolded amid a stuffed-animal minefield or singing karaoke in a tinsel wig as part of a training exercise.

The chamber selects just over 30 Helena-area business leaders to participate in the program, which

kicks off in September each year with an overnight retreat at a secluded ranch north of town. The participants then meet up once a month at various locations throughout town to complete training and tours and learn more about what makes Helena tick.

The chamber will begin accepting applications for the class of 2019-20 in June 2019. For more information, contact Vice President Mike Mergenthaler at 447-1941 or download an application from the Chamber's website at www.helenachamber.com/leadershiphelena.

"I didn't know what to expect when I started Leadership Helena. Walking into a room full of people whom I had not met before with different professions can be daunting. As the course progressed, I learned valuable insights into my leadership skills and met many new friends along the way. These friendships and skills will get stronger in the future and I have Leadership Helena to thank for that."
Clint Weis - Marks-Miller Post & Poles

"I was selected to represent Morrison-Maierle in the Leadership Helena Class of 2017-2018. I knew very little about the Leadership Helena program prior to applying and being selected. I was born and raised in Helena, returning to Helena after attending college in Bozeman. However, I learned an amazing amount about Helena, its businesses, and our community throughout the program. The leadership training provided by Brett Romney really makes this a well-rounded, worthwhile program. The experience of participating in Leadership Helena is one that I would highly recommend!"
Aubrey Yerger - Morrison-Maierle

36 Years of Success Class of 2018-2019

"Being accepted into the 2018 Leadership Helena program was an excellent experience that will never be forgotten. Not only did I learn many ways to become a better boss but also a better person. I gained much insight on how to work with people and to strive to make the workplace a better place. Leadership Helena has opened my eyes to many different aspects of Helena that I did not know. I have learned of all the different activities to the many different non-profits in the Helena area and all the great things they do for the community. Through leadership Helena, I was able to meet many different colleagues who I would not have met. Through this experience these colleagues have become lifelong friends. The Leadership Helena program is something that I will remember and take with me the rest of my life. I am truly blessed to have been a part of it.

Jonathan Hager - Energy Laboratories Inc

"Through Leadership Helena my goals were to assess my strengths, develop my leadership style and meet new people. I can say with resounding confidence that this program helped me reach all of my goals. I now know a great group of leaders that I can count on for support, guidance and growth. Thank you, Leadership Helena!"

In the News ...

Several area Chamber members and business leaders were featured in news articles produced by the Independent Record. Here is a sampling of some of the highlights of the year.

Lewis & Clark Brewing Company named Small Brewery of the Year at Great American Beer Festival

Maria Kirkpatrick, Independent Record

With the award for Small Brewery of the Year at the Great American Beer Festival in Denver, Helena's Lewis & Clark Brewing Company has received professional accolades for something many local beer drinkers have long proclaimed.

"Winning a GABF medal in this esteemed blind tasting/judging is an affirmation and acknowledgement of years of the brewery's hard work and dedication to their craft," said Ann Obenchain, marketing director at the Brewers Association. "The national and international recognition the brewery receives can put the brewery and its beers on the map, and greatly increase demand for their products."

Out of nearly 8,500 entries from about 2,500 breweries, representing 49 states and Washington, D.C., 293 judges from 13 countries selected three out of four of the beers provided by Lewis & Clark for medals.

Miner's Gold, in category 2, American-style wheat beer, took a

gold medal. Pompey's Pilsner, category 42, Bohemian-style pilsner, received a silver medal. Prickly Pear was awarded a bronze medal in category 55, classic English-style pale ale.

"With more than 8,600 entries in the competition and only 306 medals awarded, competition is very stiff," Obenchain said. "Winning just one medal is a tremendous accomplishment. Winning three medals happens from time to time but it is rare."

Small Brewery of the Year is awarded to the brewery that distributes up to 15,000 barrels of beer a year with the most points collected for beer medals. Lewis & Clark Brewing produces about 11,000 barrels a year.

"I was pretty blown away," said Max Pigman, brewery owner. "This is one of those things you just never expect. Receiving three medals is pretty rare. You're most likely going to win (overall best)."

WinCo Foods confirms first Montana store will be in Helena, opening date still unknown

Erin Loranger, Independent Record

August 11, 2018

WinCo Foods is making progress on an 84,000-square-foot grocery store in Helena.

Construction crews started building the employee-owned chain this summer, but a spokesperson said an opening date still is to be determined. In addition to Helena, WinCo is building a store in Billings. The two locations will be the first WinCo stores in Montana.

"We know the people of Helena are excited for us to arrive, because so many of them have told us," WinCo Foods spokesperson Noah Fleisher said. "We share that anticipation with them here at WinCo. We expect Montana will be a great market for us and we're thrilled that Helena will be the place we get to start."

The store will display WinCo's trademark "Wall of Values," which includes some of the best deals in town, according to a news release. The store also will have an assortment of grocery items, including a full

produce section and meat and deli departments.

WinCo is known for its bulk-bin food department. Helena's store will stock more than 700 food items in bulk. Items available include rice, dried beans, pastas, baking ingredients, cereals, snacks, candy and pet food.

"Our customers love that they can buy as little or as much as they like," Fleisher said. "Whether it's two teaspoons of a specific spice or a 50-pound sack of flour. On top of all this, we also carry a variety of organic, gluten-free and natural food items, all clearly labeled."

WinCo does not require a membership, but keeps down costs by not bagging groceries for customers and only accepting cash, debit, checks, WIC and EBT cards.

The Helena store is expected to employ more than 160 full-time and part-time employees.

May 13, 2018

Chamber graduates 32 new leaders

Cathy Burwell, Chamber of Commerce

The Leadership Helena program of the Helena Chamber just graduated the Class of 2019 with 32 graduates. This stellar program offers a full nine months of leadership training and community awareness programming that takes participants to the next level in their career. With the completion of this year's class, the chamber will be accepting applications for the next class. Check out information on the chamber's website www.helenachamber.com and the application can also be found there. The class starts in September and meets monthly through May. Mike Mergenthaler is in charge of the program and you can also contact him at 447-1941.

Home2 Suites offers extended comforts

Maria Kirkpatrick, Independent Record

March 25, 2018

Hilton Hotels and Resorts is building Home2 Suites by Hilton, a 95-room extended stay hotel on N Sanders St. by Interstate 15.

The first of its kind in Helena, the hotel caters to visitors who intend to stay 30 days or longer.

"These people are trusting us with their experience," said Callie Aschim, general manager, Home2 Suites by Hilton in Helena.

The Home2 extended stay brand focuses on socialization and technology.

"This is a fun, new brand," Aschim said. "This will be a fun property with great rooms. Staff is local and enthusiastic about tourism.

The hotel is less about quick check in and out (although the process is fast and efficient) and more about longtime comfort. Suites offer more of a studio apartment feel and have fully-equipped kitchens, including full-size refrigerator and dishwasher. There is a Gathering Zone, which encourages socialization and

meeting your neighbors.

The studio and one-bedroom suites are going to be finished with windows facing mountain views.

Hotel amenities include heated indoor pool, 24-hour business center, laundry and fitness room. Meeting space is available with conference rooms that accommodate 10 or up to 140 people.

Complimentary breakfast in in the dining area, which touts an "Inspired Table," outfitted with power outlets to allow visitors to plug in and keep electronics charged.

The coffee and hot drinks station is open 24-hour hours to encourage people to sit and socialize at all hours and a mini market is open for guests to grab items on the go.

Aschim said Helena is in a prime location for this type of hotel because government business drives extended stay needs.

Amid worker shortage, Helena employers get creative to attract and retain good employees

Tyler Manning, Independent Record

A lack of workers in Helena and across the state is forcing business owners to make some important staffing decisions.

From deciding how to better compensate employees to weighing which jobs are no longer necessary in the current economic climate, employers are facing major changes. They are also getting more creative with their recruitment and retention efforts in order to introduce employees to the workforce and keep them there.

With more baby boomers leaving the workforce than young people entering today, "You get into alternatives to achieve staffing solutions," said Chris

Bradley, Montana Department of Labor and Industry economist.

Businesses are searching for more versatile workers, who can cross-train or obtain training certifications that expand their job duties.

Additionally, the department of labor works with businesses across the state to offer on-the-job training. As part of the apprenticeship program, workers who aren't necessarily qualified for a job can be hired and trained for the position, Bradley explained. About 90 percent of people who go through the apprenticeship program stay in Montana, he said.

New Snow Hop Brewery serves Helena Valley neighborhoods

Erin Loranger, Independent Record

North Helena and valley residents now have a brewery in their neighborhood, and for some it's just a walk away.

Snow Hop Brewery, off of McHugh Drive, has been packed since it celebrated its grand opening at the end of March. The brewery is in a developing area with plenty of businesses and family housing within walking distance. It's the fourth brewery operating in the Helena area.

Owners Steve and Barbie Edwards said people have come in multiple times since Snow Hop opened a week ago. And while the Edwards' said Snow Hop wants to serve all of Helena, the location offers a convenient spot to get a beer for people who don't want to go downtown. On the day of the grand opening, a line of people stretched down the parking lot before the brewery opened its doors.

"It was like a convoy coming down," Barbie Edwards said.

"We're so grateful to the community for their support."

Snow Hop has five flagship beers on tap, including an IPA, kolsch, amber, vanilla stout and a grodziskie. Head Brewer Becky Poppelman said she picked up on the grodziskie after traveling to Poland and it's been popular so far.

"It's a style most people haven't heard of," Poppelman said. "The malt is smoked over oak."

Poppelman said she's been working on the recipes for about six months and only tweaked them once she started brewing. Poppelman, who has been brewing for years, said she knows generally what ingredients work well together but was prepared to throw out an entire batch if it didn't taste right. The goal is to eventually have a total of eight beers on tap with three of them rotating.

Longtime employee buys Big Dipper Ice Cream in Helena

Erin Loranger, Independent Record

January 8, 2018

Anna Doran and Lindsay Lechman met almost eight years ago when their dogs got in a fight while they were hiking on Mount Helena.

A couple of weeks later, they ran into each other on the Downtown Walking Mall while Doran was getting ready to open a Big Dipper Ice Cream location in Helena, and Lechman asked to scoop ice cream on weekends. Three months later, Lechman quit her job with the state to manage Big Dipper. Now, Lechman is officially the new owner.

2019 Priorities/Mission

BUSINESS

Lead efforts to unite, inform and advocate for the business community:

- Advocate at the local and state levels – informing members via our e-Advocate.

- Produce and distribute economic trends report

Address workforce development needs through:

- Helena WINS Workforce Development Program
- Workforce recruitment efforts to encourage relocation to Helena to work. Create an online “welcome packet” for new residents promoting our members.
- Professional development (Helena Leaders Network - HLN)
- Education Training such as Wisdom Wednesday, workshops, luncheons
- Leadership development (Leadership Helena)

Strengthen ties with City and County Governments

- Continue to sponsor Lunch with Local Government
- Meet with key officials on critical business issues
- Cultivate pro-business candidates as recruitment for local offices

Support economic growth by assisting/supporting MBAC’s recruitment of new businesses and business retention efforts.

- Utilize our relocation publication and trends booklet for both organizations in recruitment of workforce and businesses.

Reinforce Keep Dollars Local promotion program:

- Think Before You Click Promotion to drive purchases away from on-line and include promotions to encourage Helena Businesses and citizens to use Helena Businesses for services, professional services and products.
- Promote the Helena Charm Trail to encourage visitors and residents to shop at our local retail stores

MEMBERS

- Provide programming and training that impacts and addresses member needs
- Host Member Focus meetings to ensure we are in touch with our members and their business, plus helping to address business sector needs
- Implement a Strategic Membership recruitment and retention strategy.
- Text messaging system to further our ability to connect with members.
- Demonstrate value to achieve an annual retention rate of 95%
- Achieve a membership of 800 members by FY 2019 year end

COMMUNITY

- Visitor center functions maintained at the Chamber Building as technology continues to drive traffic to that location. Maintain Airport Visitor Center location.
- Promote the Helena Area through our Convention & Visitor Bureau efforts and the Helena Vacation Guide, plus the Helena maps.
- Convene business and community leaders/elected officials as advocates for support on issues and topics impacting business and the quality of life for the Helena Area

THE CHAMBER

- Promote our new logo and brand to implement a Chamber campaign for “It’s Time to Chamber Up” and grow the chamber to 800 members. Make the Chamber “Shine from within” – enhance brand, reputation, and capabilities.
- Ensure fiscal and organizational excellence
- Encourage more participation and involvement from 21-40-ish members through Helena Leaders Network.

Influences and Trends

- Address the business growth opportunities for our community
- Keep the Chamber relevant and on top of specific business trends
- Serve as problem solvers and community conveners with major community organizations and stakeholders
- Provide solutions for a successful generational transition of leaders and the workforce in the community

Chamber Mission:
Promoting business quality of life and economic development through local business alliances.

Mountain-Pacific Quality Health works with patients, providers and other partners to **improve health care quality, increase value and access and decrease costs.** We work in our communities to help improve the delivery of care and the systems that provide it.

What does that mean for Montanans?

Better patient care • Better population health • Lower health care costs

And we are all working together to make sure of that!

Visit www.mpqhf.org to learn more.

A HIGHER STATE OF CARE FOR OUR COMMUNITY

We're on a journey to become the gold standard for health care in Montana by 2025. That means we're working every day to improve access to high quality, low cost health care in our community.

We're proud that our efforts to bring 24 new providers to Helena since 2017 are helping people get the care they need more quickly than ever before. And, our innovative new partnership with University of Utah Health will connect our patients right here in Helena with the nation's top specialists. At St. Peter's Health, we're committed to serving the health and wellness needs of our community. Our patients are our friends, family and neighbors—so we'll never stop striving for a **higher state of care**.

Candace Wilbur, RN, MSN
