Congratulations to this year's Winners & Finalists

Every year for more than 20 years, the Independent Record has proudly conducted the “BEST OF HELENA” contest as a way to spotlight the best of what our community has to offer. It is an opportunity for you, our valued readers, to show support for your favorite businesses and individuals that make Helena and our surrounding area such a great place to live. Thank you to everyone who nominated and voted!

Each year, we strive to make the contest bigger and better, and this year is no exception. We are excited to announce that we received over 44,000 nominations and over 142,000 individual votes.

We would like to give a special thank you to this year’s sponsors. Their sponsorship made our contest even more robust than in past years.

Best of Helena is an exciting contest we all look forward to at the Independent Record. It allows us to work with even more local businesses and help them implement creative marketing solutions with print, digital and agency marketing services. We appreciate the opportunity to work corroboratively with businesses and get them the recognition they deserve.
