Dear Santa,

Here's our new list of toys. We sent you a few other list before but we changed our minds about what we want for Christmas.

We would like to have some dolls, little cars and a racetrack. We want a train that blows real smoke and something good to play outside with. You know what we like so you can pick something good.

Maria, Megan, Sam and Aston

Dear Santa,
Just bring the usual and some extra batteries.

Dear Santa,
Thank you for the red bicycle that you brought me last year. I grew taller and I had to give it to my little brother. Can I get a new one this year? Can we also get a pony? Says there's not enough room in the backyard but I measure it and I think it's enough for at least a pony. and
