

Helena Public Schools 2026-27 DISTRICT CALENDAR

Strong Schools. Strong Communities.

Independent Record

From the Superintendent

The summer months have zipped by, and it's safe to say we feel the excitement of preparing to welcome Helena's young people back for the 2026–2027 academic year.

While our students have been enjoying their break, our district teams have been moving at full speed behind the scenes. Our facilities, technology, and operations crews have used this quiet time to tackle essential upgrades and deep-level prep work across all our campuses. From major structural repairs and classroom technology updates to continuous building refurbishments. At the same time, district educators have spent time during their break expanding their own horizons through PIR opportunities.

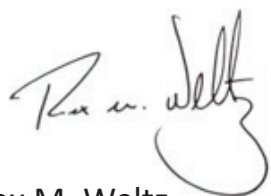

As our new and returning staff are getting their classrooms, fields, and labs ready, we are also laying the groundwork for the long-term future of our district. Starting this August, Helena Public Schools is embarking on a District Framework Planning initiative. Rather than starting from a blank slate, we'll use the district's vision, mission, core values, and guiding principles as the drivers for every goal and priority we identify.

The goals that we set over the next several months must directly answer how we are living up to these promises. By grounding our strategic plan in these established values, we ensure that our resources, staff development, and academic strategies are focused on what matters most: our students. We look forward to collaborating with our educators, families, and community partners as we shape this vision together. Stay tuned for updates and opportunities to share your voice as we begin this exciting process.

We also know that strong schools depend on strong family partnerships. Student success flourishes when families are engaged, and there are countless ways to make an impact. Simple daily routines at home, volunteering for school events, or participating in parent-teacher organizations all help build a thriving school culture. To make volunteering in the classroom easier and safer, we have streamlined our background check and volunteer application system, which you can easily access on the district's Human Resources webpage.

Communication is essential to a successful year. You can access all the information included in this calendar and their updates, alongside our student enrollment portals and individual school updates regarding supplies and transportation, on our main website at helenaschools.org.

Thank you for your dedication to our students and your partnership in making Helena Public Schools a wonderful place to learn and grow. It is a privilege to serve this district, and I am excited to see everything our students achieve in the year ahead!

Rex M. Wertz
Superintendent, Helena Public Schools

Helena Public Schools

Board of Trustees

MISSION

Helena Public Schools foster dynamic educational experiences that prepare all students for life.

VISION

Helena Public Schools educate, engage, and empower each student to maximize his or her individual potential with the knowledge, skills and character essential to being a responsible citizen and lifelong learner.

This mission will be supported through the wise use of resources to meet students' needs, regardless of interests and talents. Students, families, educators and the community are committed to sharing the responsibility for creating a student-centered educational community that acknowledges learning as a lifelong process.

GUIDING PRINCIPLES

- Each student enters school healthy and learns about and practices a healthy lifestyle.
- Each student learns in an intellectually challenging environment that is physically and emotionally safe for students and adults.
- Each student is actively engaged in learning and is connected to the school and broader community.
- Each student has access to personalized learning and to qualified, caring adults. Each graduate is prepared for success in college or further study and for employment in a global environment.

Facilities Spotlight

What Happened While You Were Away

Facility Maintenance Highlights:

- Site Energy Improvements across the district
- Elementary Schools

Broadwater: LED lighting installation

Central: Erosion control improvements on south parking lot, east entrance stair improvements

Jefferson: LED lighting installation, partial roof replacement, bathroom plumbing repairs

Rossiter: LED lighting installation

Smith: LED lighting installation, Solar installation, HVAC system installation (continuation from last year), partial roof replacement, gym bleacher removal

Warren: LED lighting installation, HVAC system replacement, partial roof replacement

- Middle Schools

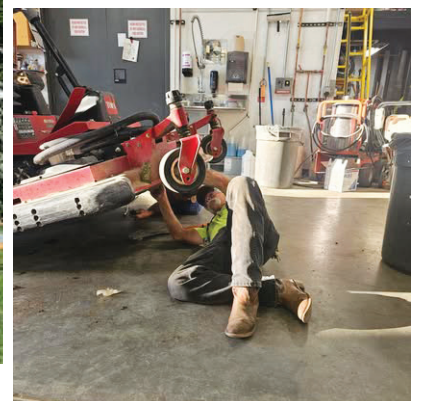

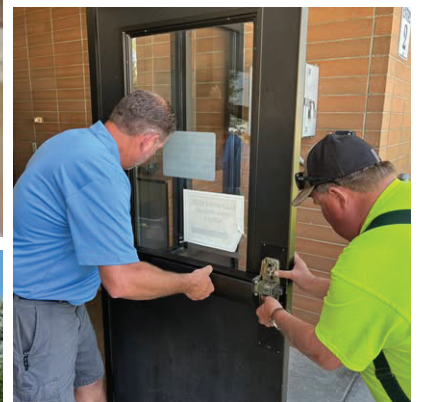

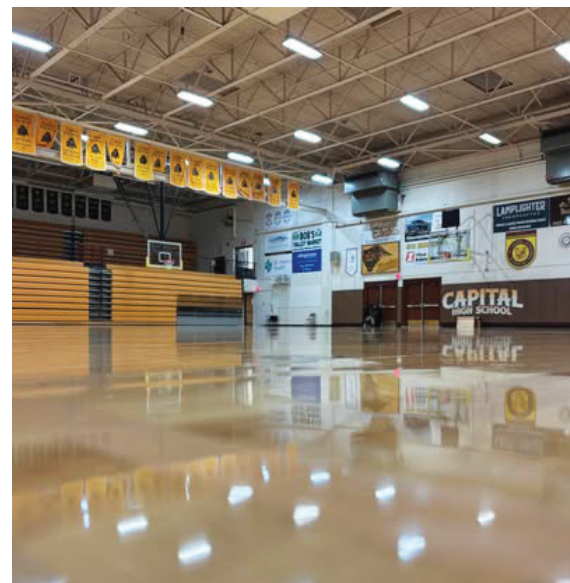

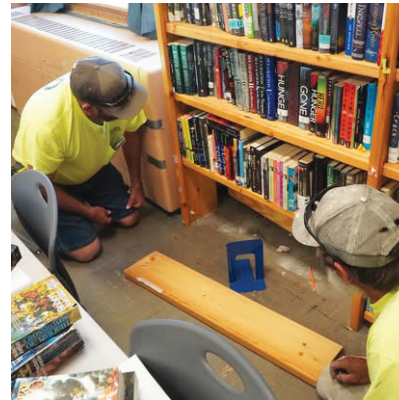

HMS: LED lighting installation, plumbing repairs, partial roof replacement

- High Schools

HHS: gym audio system replacement

Misc:

100s of work orders and grounds maintenance tasks (too many to list)

Thank you Facilities Staff!

About HPS Public Charter Schools

Mount Ascension Learning Academy - Grades 9-12

Virtual learning courses or a blend of virtual and in-person classes. Families are provided guidance to help identify the best learning options for their student's needs. All courses are taught by certified in-person and virtual instructors.

Montessori Charter School - Grades K-5

Montessori education emphasizing self-directed activity, hands-on learning and collaborative play. Space is limited. If your family is interested in Montessori, please visit helenaschools.org/departments/montessori for additional details.

Project for Alternative Learning Charter School

Smaller class sizes for high school students, with a focus on experiential learning for grades 9-12.

Indian Education For All

In 2025-26, our Indian Education for All (IEFA) team brought vibrant learning practices directly into classrooms across the district each month to teach student about the Native tribes of Montana and their important traditions and lessons. During regular classroom visits, our IEFA team engaged students in immersive cultural experiences, including age-appropriate explorations of tribal histories, traditions, and perspectives that foster cultural appreciation; interactive activities and skill-building games historically played by Montana's tribal nations to teach lessons in strategy, teamwork, and patience; and traditional lesson-aligned art activities—such as craft techniques, symbolic design work, and storytelling arts—that bring cultural concepts to life.

Helena Public Schools is committed to giving all students authentic opportunities to appreciate and honor Montana’s rich Native American cultures and traditions, and we look forward to what lessons are in store for 2026-27.

Why Libraries?

Helena Public School Libraries play a crucial role in supporting students' academic success and persona growth. They provide access to a wide range of books, digital resources and research tools that enrich learning across all subjects. Beyond academics, libraries foster a lost for reading, critical thinking and independent learning. They also offer a safe and comfortable space for students to explore their interests, collaborate on projects and develop lifelong literacy skills. Certified teacher-librarians create environments that are hubs of curiosity, creativity and knowledge and that contribute significantly to a well-rounded education.

Programs like "BOOk Pals" foster early literacy by connecting students with community volunteers in a supporting library setting. Across the district, initiatives such as World Read-Aloud Day, Adopt-a-Species, LEGO clubs, podcasting clubs and so much more energize young readers and build a lifelong passion for reading and learning.

Middle school and high school teacher-librarians are crucial to student success, extending far beyond managing books. They serve as vital literacy advocates, fostering a love of reading by curating diverse collections that reflect students' interests and experiences and recommending books tailored to individual needs and reading levels.

Beyond promoting reading for enjoyment, librarians are essential in teaching critical information literacy skills equipping students to navigate the vast digital landscape, evaluate sources for accuracy and use information ethically for research projects.

They're often the first point of contact for students working on research projects by providing hands-on guidance and support that empowers each student to become an independent learner.

Helena's school libraries are truly the heart of the learning community.

Fine & Performing Arts

Helena Public Schools believes that a well-rounded education includes the fine and performing arts.

Helena Public Schools' arts programs not only enhance artistic skills, but also promote critical thinking, collaboration and cultural awareness - skills that will remain valuable throughout the student's life. For many, our arts education curriculum has served as the starting point to a career as a visual or performing artist. Our student musicians, thespians, photographers and other fine artists routinely earn top state and regional-level awards.

Visual Arts: Our visual arts curriculum spans from elementary through high school, offering experiences in drawing, painting, photography, ceramics, sculpture, digital arts, design and more. Students gain experience working in a variety of mediums and disciplines.

Music: Music education is a cornerstone of our fine arts offerings. Beginning in elementary school, students can participate in general music classes, learning the basics of rhythm, melody and harmony. As they progress, students have the opportunity to join band, orchestra and choir.

Theater: Our high school theater programs allow students to dive into the work of drama and stagecraft. From acting to technical theater skills, students gain a comprehensive understanding of what it takes to bring a production to life. Plays and musicals give students the opportunity to experience the dynamics of live performance.

Community Arts Partnerships
In addition to our core programs and curriculum, Helena Public Schools collaborates extensively with local arts organizations and professionals, bringing in guest artists and performers to enrich students' education experience. These values community partners include **The Helena Symphony, The Myrna Loy, Cohesion Dance Project, The Holter Museum of Art, Grandstreet Theatre, The Bray, Premier Dance Company, Missoula Children's Theatre, Omerta Arts** and more.

**Specialists in Orthodontics
for Adults and Children**
We're happy to keep this great community smiling!

Academics & Student Success

Helena Public Schools offers rigorous academic programs designed to foster students' future success whatever their plan hold - be it college, career, vocational training, military or other.

Beginning in Kindergarten, student progress is tracked using state-of-the-art data assessment tools. Teachers use these insights to tailor each child's education to their specific needs - providing extra challenges or extra support where needed.

At the high school level, students are offered a wide range of honors and Advanced Placement (AP) courses across english, math, science and foreign languages.

Our curriculum and teaching practices are designed to help each student reach their full potential.

Honors and Advanced Placement (AP) courses offered:

HHS Honors: English 1, English 2, Math, Earth Science, Space Science

CHS Honors: English, Math, Pre-Calculus, Biology

Advanced Placement (AP) Chemistry, Language, Literature, US History, Government, Psychology, European History, Pre-Calculus, Calculus, Statistics, Biology, Human Geography, Environmental Science, Spanish, Computer Science, Physics, English

Student Spotlight

2026 Capital High School Graduate **Caden McCullough** was among only 627 students nationwide to be named a semifinalist for the 2027 U.S. Presidential Scholars Program, which recognizes the nation's most academically distinguished graduating high school seniors. Each year, approximately 4,000 students become candidates based on their SAT and ACT test scores.

Each year, approximately 4,000 students become candidates based on their SAT and ACT test scores.

2025-26 by the numbers

1

PRESIDENTIAL SCHOLAR CANDIDATES

Created in 1964 by executive order of the U.S. President, this program is one of the nation's highest honors for high school students. Candidates are selected based on SAT and ACT scores combined with essays, personal characteristics, leadership and service activities.

3

NATIONAL MERIT SCHOLAR CANDIDATES

Selected on the basis of their skills, accomplishments and potential for success in rigorous college studies, these exceptional scholars represent less than one percent of high school juniors nationwide.

45

VALEDICTORIANS

Students who maintained a 4.0 GPA throughout high school.

14

SALUTATORIANS

Students who earned one B, but otherwise maintained all A's throughout high school.

43

HELENA EDUCATION FOUNDATION DISTINGUISHED SCHOLARS

To qualify for nomination as a Distinguished Scholar, students must have a minimum of 14 credit hours of honors, AP, accelerated or college-level classes. They must also have a 3.7 GPA at the end of the 7th semester, among other requirements.

13

HELENA EDUCATION FOUNDATION DISTINGUISHED ACHIEVERS

District educators nominate Distinguished Achievers based on excellence in a specific curricular area, leadership, service, or for overcoming obstacles to achievement.

140

NATIONAL HONOR SOCIETY 2025-26 INDUCTEES

The National Honor Society invites students to apply in the spring of their junior year based on a cumulative GPA of 3.5 or higher. Members participate in community service projects and other activities during their senior year.

Our Educators

Our teachers and para-educators are skilled professionals committed to helping every student achieve their full potential.

A hallmark of our district is our educators' commitment to continuous improvement, reflected in the impressive qualifications of our teaching staff — 276 teachers hold master's degrees, 55 hold both masters and National Board Certification and 2 are PhD's underscoring their commitment to professional growth.

Through the year, teachers and para-educators participate in continuing education covering a wide array of subject areas, staying abreast of research-based best practices for student instruction in writing, reading, mathematics, the arts, social studies, media literacy, information technology and science.

Helena Education Association

Teacher of the Year

Cassie Koch

Cassie's colleagues recognize her as an education leader in the district. Cassie is an amazing culinary teacher and math teacher. One colleague shared: Cassie "is never one to shy away from trying something new and is always doing community service projects with her culinary classes. She has been working with Bryant doing really cool culinary projects." Another said, "she has completely revitalized our culinary classes, she feeds us all the time, and she is the best CTE department chair ever. She works so hard!" And a third shared, "Cassie goes to great lengths to give her students unique opportunities out in the real world. The culinary skills she is teaching her kids will last them a lifetime. Cassie is amazing!"

Helena Education Association

Para-educator of the Year

Molly Meyer

Molly's colleagues her as an education leader in the district. Just a few of the comments we received about Molly include: "She is hard working and always has a smile on her face. She moves from school to school and is still able to build relationships with not only the students she works with but also the teachers at the school. She is always ready to jump in assist." Another colleague shared, "Molly is an incredible asset to our students, teachers, and our school district. Is there another job that changes more than Molly's? She could be at one school in the morning, and another in the afternoon, and pivots between buildings over a weekend plus takes it all in stride. When I have had a hard time with a student and Molly walks into my room, it feels like a breath of fresh air, I feel supported, and I feel like we can get where we need to go."

Janson Rigby, DO,

is a skilled ophthalmologist at Rocky Mountain Eye Center in Helena, Montana.

Dr. Rigby graduated with a Bachelor of Science in chemistry from the University of Utah in Salt Lake City, Utah. He earned his medical degree from the West Virginia School of Osteopathic Medicine, where his interest in eye care began. He finished medical school as an honors graduate in the top 10% of his class and was also elected into the Sigma Sigma Phi and Psi Sigma Alpha honor societies.

Dr. Rigby completed his transitional internship at MountainView Medical Center in Las Cruces, New Mexico.

Rocky Mountain
EYE CENTER

Nichole Rioux, OD,

is an experienced optometrist with the team at Rocky Mountain Eye Center. Dr. Rioux sees patients at the practice's office in Helena, Montana. Dr. Rioux received her Doctor of Optometry degree at the Pacific University College of Optometry in Forest Grove, Oregon, in 2007. Dr. Rioux established her own distinguished optometric practice, at one time having three locations to serve her patients in the state of Oregon. In 2018, Dr. Rioux returned home to Montana to provide that same extraordinary eye care to the Helena area by joining the team at Rocky Mountain Eye Center. Dr. Rioux provides all the comprehensive vision care.

Special Education

Everything we do at Helena Public Schools is based on the belief that all children deserve the opportunity to reach their full potential. As our community's public school system, it is our responsibility to meet the educational needs of all in accordance with the federal Individuals with Disabilities Education Act (IDEA). Our district offers a rich array of programs to serve students with a diverse range of needs, beginning at age 3.

Special Education Pre-School

Serves children ages 3-5. To qualify, children must be significantly delayed in one or more areas.

Trailhead

Serves students in need of additional behavioral, communication and academic support.

Functional Life Skills Program

Support for students with significant cognitive delays, intensive physical needs or other needs requiring significant support.

Therapeutic Learning Center (TLC)

A partnership with Shodair Children's Hospital offering services for students needing intensive emotional and behavioral support.

Helena Public Schools offer many services throughout the district to give every child the opportunity to learn and thrive. These services include Speech Language Pathology, Occupational Therapy, Physical Therapy, School Psychology, Resource Teachers, Adaptive PE, Behavioral Specialists, and access to specialties outside of the District based on the needs of students.

Helena Public Schools holds regularly scheduled clinics to identify preschool students ages 3-5 who may have special needs or developmental delays. This year's screenings will be in October.

Please note that the clinics are intended to screen for areas of multiple concern. If you have concerns about your child's speech or language development only, please contact your neighborhood school.

Kinder Sprouts

where our youngest learners begin to grow

Your child's success starts now!

Helena Public Schools' FREE preschool program for QUALIFYING STUDENTS. To qualify for Fall 2027 your child must:

- Be 4 years old by September 10, 2027
- Take a skills screening assessment to determine if your child would benefit from early literacy or numeracy intervention.

Caring relationships, hands-on activities and interactive play help children develop the learning skills they need for a solid start to Kindergarten and beyond

Screening is required and spots fill up fast! For more information, scan the QR code:

College & Career Ready

Helena Public Schools prepares today's students to be the driving force behind tomorrow's economy.

Our district offers 33 unique career clusters that prepare students for the specific skills necessary for success. We collaborate with business partners locally and beyond to align our curriculum with employer needs, ensuring that our graduates are workforce ready and able to compete for great jobs in rewarding careers.

The benefits extend beyond employment. A number of Montana-based employers cover full college tuition costs for skilled high school graduates.

Carroll College ACE

The Advanced College Experience (ACE) program offers highly motivated high school students the opportunity to engage in Carroll courses at low cost. Each student may enroll in up to 2 100-level courses (no more than 8 credits) or applicable 200-level courses with available seats after current student registration.

Learn more at:

<https://www.carroll.edu/admission-aid/apply/high-school-students>

Dual Enrollment

Whether your student is pursuing a two-year or four-year degree, Dual Enrollment (DE) can help them **get there faster, for less.**

The Montana University System's "One-Two-Free" program allows high school students to take two Dual Enrollment courses (or up to 6 credits) for free. Students may enroll in additional DE courses at the rate of 50% of two-year resident tuition. Students who demonstrate hardship may apply for a scholarship to cover the tuition for additional DE courses. Our high schools offer Dual Enrollment opportunities in everything from accounting to theater, and from architectural drafting to culinary skills. Ask your school counselor for details.

- Safety and Security
- Application Management and Support
- State Reporting
- Helpdesk
- Daily care and maintenance of the district's computer network to keep systems running safely and smoothly
- IT support and technology integration training for teachers and students

In our rapidly evolving digital world, mastery of technology is no longer optional – it's essential for almost any career our students will pursue. Whether a graduate aspires to be a doctor, a carpenter, an artist, or an entrepreneur, being proficient in digital tools and platforms is fundamental.

Today, technology drives almost everything we do, from checking out a library book, to applying for college, to ensuring that security cameras and emergency communication systems are functioning to keep students and staff safe. However, the district's technology levy, which was passed in 2004, is no longer sufficient to meet today's vastly changed technology needs.

While some technology funds are used to update existing teacher and student devices when they reach the end of their useful life (School district devices are most often used for 7 or more years before being replaced), most funds are needed for the "invisible" infrastructure that keeps the district running. This includes the maintenance and continuation of licensing on our technology throughout the district. It also aims to enhance cyber-security infrastructure as well as our physical buildings' safety and security aspects.

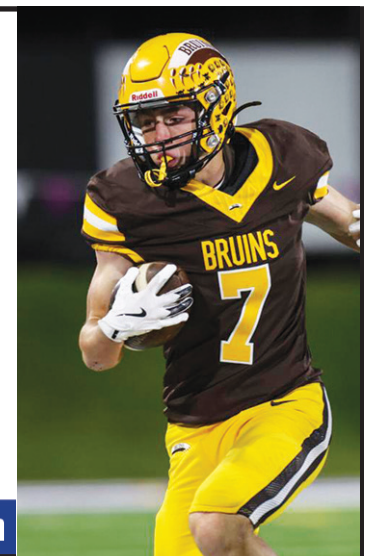

Our district continues to seek funding solutions to provide students and their teachers with these vital needs.

Student Mental Health Support

Just like physical health, mental health is essential for learning, growth, and success in school.

Helena Public Schools has expanded access to care with on-site mental health clinics now located at both high schools, both middle schools and several elementary schools.

These services are delivered in partnership with our trusted community providers:

- Elementary schools: Shodair Children's Hospital (Bryant, Central, Kessler, Warren) and AWARE (Broadwater)
- Middle schools: PureView Health Center and Shodair (HMS) Indian Health Alliance and AWARE (CRA)
- High schools: PureView (CHS & PAL), Helena Indian Alliance (HHS)

The district continues to seek funding at the local, state and federal level to establish a full-scale, district-employed mental health team with enough therapists to meet the needs of every student and staff member at every school.

Mental Health Screening Services

Helena Public Schools uses a "Multi-Tiered System of Support" to help ensure your student's academic and social success.

Our mental health screening services match students with the type and level of support that best meet their needs. Through early interventions, we can help students stay focused on learning. Students are screened twice a year. Notification is sent to parents before each screening with the option to opt out.

The "Character Strong Student Needs" screener is used for **Grades K-5** to assess academic and emotional strengths and behavior of students,

Students **Grades 6-12** are screened with the RBHI (Rural Behavioral Health Institute) screening tool, which can help identify signs of depression, anxiety and suicidality. Students who would benefit from therapy are promptly linked with care, including same day services for those with urgent needs. Learn more at www.rbhi.org

The Montana Cares App is now live! Students, staff and family members can use the portal to anonymously report school safety or mental-health concerns and to find community resources to help themselves, a family member or a friend.

Easy! Free! Anonymous!

- 1 Download the Montana Cares App from the Google Play or Apple App Store.
- 2 Select your school from the dropdown menu or enter the code provided by your school.
- 3 Accept the Terms & Conditions.

SCHOOL-AGE CHILDCARE (SACC)

Now in its 34th year, SACC is one of the largest licensed school-age child care programs in Montana. SACC provides safe and enriching activities for students district-wide. Before school, after school, and school-break programs are available for Helena Public School students.

When the school year is over, our Summer SACC program continues to offer top-notch, full-day child care for grades 1-5 from across the district, offering indoor and learning, field trips, and educational activities to reinforce school-year academics.

Stay Informed

In today's fast-paced world, it's more vital than ever that we keep you informed with news and information that is accurate, transparent and timely.

We want you to receive district-level news and information in the way that's most convenient for you — be it email, social media or our district website.

In addition to the weekly updates you will receive from your school principal, you can receive Helena Public Schools information via the following platforms:

www.helenaschools.org

**Superintendent's
Email Newsletter**

@HelenaSchoolDistrict

@HelenaPublicSchools

@HelenaPublicSchools

District Inquiry Portal
www.helenaschools.org/about/contact

Not a district parent? You can still receive the Superintendent's email newsletter to stay up-to-date on district news. Visit www.helenaschools.org to subscribe.

**Attention
Grandparents!**

Partners in School Safety

Your student's safety is our district's highest priority. We want you to feel confident that your student is **safe and secure at school**. Here's what to expect in the event of an emergency and how you can be a **school safety partner**.

TEXT NOTIFICATIONS

As a parent or legal guardian, you will automatically receive emergency text alerts unless you have opted out. If you have opted out and would like to change your text alert status, you can opt back in by texting "YES" to 87569.

WEBSITE & SOCIAL MEDIA

Take a moment to bookmark our district website and follow us on Facebook & Instagram. Remember that emergencies can spawn rumors and misinformation. Be sure you're prepared to receive timely and accurate updates.

REFRAIN FROM CALLING OR VISITING

Please refrain from calling or visiting your child's school during an emergency. Phone lines, staff, and roads are needed for the response. Please avoid calling or texting your child during an emergency so they can focus on following safety instructions.

SEE SOMETHING? SAY SOMETHING.

Safe schools are everyone's responsibility. If you become aware of a potential safety threat, please report it immediately to a school official or law enforcement.

Lock in Place

Students and staff stay in their current locations within a building, with interior and exterior doors locked.

Activated For:

Suspicious persons, hallway disturbances or medical emergencies to ensure that emergency responders can access the affected individual without disruption.

Shelter in Place

Students and staff take immediate shelter and exterior doors are locked.

Activated For:

Potentially dangerous situations outside the school such as police activity in the school area.

Evacuation

Building is evacuated in instances where conditions are safer outside.

Activated For:

Fire, earthquake or other situations jeopardizing interior building safety.

Severe Weather

Conditions warrant keeping students inside and/or implementing alternate transportation plans.
