## JACK CREEK PRESERVE FOUNDATION OUTDOOR SKILLS CAMPS

**July 20-23 and August 3-6**

We host two summer camps for youth ages 11-16 to learn a variety of outdoor skills in a wilderness setting. The camps are four days and three nights and include classes like archery, fly fishing, elk ecology, wildlife tracking, water ecology, mapping and orienteering, outdoor cooking, photography, shel-

ter building, and other activities to enhance their enjoyment of the outdoors. Special speakers provide discussion and activities on topics such as astronomy, Montana raptors, being bear aware, and noxious weeds. Campers bring their own camping equipment and stay in tents for the duration of the camp. All classes and activities are held outside.

During the July camp, campers have the option of going through the training and earning their Bowhunter Education Certification. Campers will learn skills such as shot placement, equipment care, tree stand set up, and safety. Campers also learn about the importance of ethics, wildlife and natural resources management, and the hunter's role in conservation.

The cost of each camp is \$300 per camper, which includes all meals, instruction and activities, campsite, and facilities. Scholarships are available through our scholarship application. Registration opens April 17. For more information or to register, please visit [jackcreekpreserve.org](http://jackcreekpreserve.org) or call 406-995-7880.

## HANNAFORD STREET BIBLE CHURCH SUMMER CAMPS

This is a space adventure themed VBS and will be a fun-filled time of games, crafts, and interactive Bible stories! Registration

is available online starting in May at [Hannaford.org](http://Hannaford.org).

## COTTONWOOD ALC SUMMER CAMP

Join us at Cottonwood ALC this summer for a dynamic, collaborative, student-directed summer camp experience! Our mixed-age camps include kids ages 6-12 and give all kids practice in self-directed learning. Our facilitators work with campers to identify individual and common interests and plan adventures and projects each week. At Cottonwood ALC Summer Camp, the kids get to design their camp experience! Our creative facilitators will offer things they are passionate about too. Activities could include such things as capture the flag, song writing, scavenger hunts, cartoon drawing, etc. Everything we do is rooted in play, so kids are sure to go home happy, having played all day. To register and learn about our emerging specialty camp offerings visit: [www.cottonwoodalc.org/camps](http://www.cottonwoodalc.org/camps)

### Cottonwood Forest Camps

**June 12-30 (Monday through Friday)**

Time: 9 a.m. - 3 p.m. (Monday-Thursday and 9 a.m. - 12 p.m. Friday)

Ages: 6-12

Price: \$275/week

Cottonwood Forest Days are an immersive nature experience. Aligned with other Cottonwood programming, our Forest Days are self-directed and learner-designed, inviting learners to explore their interests in the natural world. At the beginning of each day, we'll drive no more than 45 minutes to our forest location and spend the day outside! We'll engage in imaginative play, explore ecology, physics, and art, and learn how to be safe, responsible, and prepared in the outdoors.

## MONTANA NATURAL RESOURCES YOUTH CAMP

Being held July 16-21. We invite youth ages 14-18 and 13 (if graduated from eight grade) to spend one week in the rustic setting of Lubrecht Experimental Forest east of Missoula and learn about Montana's natural resources. The accommodations are comfortable, the food is great, and the instruction and friendships are the best. Campers learn about forests, streams, soils, geology, range land, wildlife, and recreation, and spend a half-day rafting the Alberton Gorge of the Clark Fork River. In between the field sessions, taught largely by professionals that volunteer from a variety of natural resources based agencies and industries, specialty evening programs, guest speakers, hands-on learning-through-discovery, and campfires provide for a lasting summer camp experience. Student teams also compete in a Land-Use-Game where they

manage a 3,800 acre ranch for 20 years. Information and Applications can be found at [www.montana.edu/extension/forestry/mnrnc/index.html](http://www.montana.edu/extension/forestry/mnrnc/index.html)
