Downgrading BLOX Total CMS for InDesign

» **Delete the Current Version**

Step 1

Open the folder at: "\\(Server)\ tcms_data\BLOX Total CMS for Adobe InDesign."

Step 2

Throw away the contents so that

the above folder is empty. If you are downgrading, it means there is a problem with the version or there is something with it that you don't like. Put it in the trash.
