

PUBLIC NOTICE

YOUR CAREER, SAFETY, AND CIVIL RIGHTS COULD DEPEND ON THIS CHECKUP

I have personally uncovered massive irregularities in my own Freedom of Information Act (FOIA) request to the Drug Enforcement Administration (DEA). Despite submitting information on numerous occasions, the records I received from the DEA were compromised and incomplete.

This raises urgent concerns:

- Are YOUR federal records accurate?
- Has your personal information been compromised or altered?
- Could misinformation affect your safety, security clearance, employment, or civil rights?

TAKE ACTION NOW: FILE YOUR OWN FOIA REQUEST

Every American citizen has the legal right to inspect their personal records held by federal agencies. I strongly urge ALL CITIZENS to immediately file FOIA requests with the following agencies:

Department of Homeland Security (DHS)
<https://www.dhs.gov/freedom-information-act-foia>

U.S. Department of Justice (DOJ)
<https://www.justice.gov/oip/submit-and-track-request-or-appeal>

Drug Enforcement Administration (DEA)
<https://www.dea.gov/foia>

DEMAND ACCOUNTABILITY: CONTACT YOUR ELECTED REPRESENTATIVES

If you discover irregularities — or simply want to demand oversight — please contact your United States Senators and your member of Congress. Urge them to initiate an investigation into this matter.

ACT BEFORE IT IS TOO LATE

Do not assume your personal records are correct. A simple FOIA request may uncover errors, omissions, or deliberate tampering that could impact your career, safety, or civil rights.
