Credit Union

APY = Annual Percentage Yield. Rate subject to change. There is a limit of one Reward Checking account per member. No commercial accounts may participate in this program. The following features are unique to Rewards accounts: In order to earn the Qualifying Rate for the dividend period specified in the schedule above and to qualify for additional benefits as described herein for a particular monthly qualification cycle, High Interest Reward Checking and Cash Back Reward Checking accounts must satisfy the following requirements: 1) a minimum of 12 debit card purchases post to your High Interest Reward Checking or Cash Back Reward Checking account; 2) you receive monthly e-Statements for the account; and 3) you log into online banking at least once during the cycle. Please note that the transactions MUST actually post to your account during the monthly qualification cycle.

*If the High Interest Reward Checking Account satisfies the qualification requirements for a monthly qualification cycle, the Account will earn the qualifying rate for that cycle up to \$10,000. Otherwise, the High Interest Reward Checking Account will earn the nonqualifying rate for that cycle. A qualification cycle begins on the first day of a calendar month and ends on the last day of the calendar month. Federally insured by NCUA.
