

Is Your Hearing Ready for a New Season?

Autumn brings a fresh start – crisp air, football games, and family gatherings. But if you’ve been missing conversations, it might be time for a hearing check.

- ☐ Do you find it difficult to hear friends at community fall festivals or around the bonfire?
- ☐ Do you frequently ask others to repeat themselves?
- ☐ Is it hard to hear the TV or phone clearly?
- ☐ Has it been over a year since your last hearing test?

If you’ve checked two or more boxes, you may be **one of millions of Americans** who suffer from mild to moderate hearing loss.

Let us help determine whether it’s hearing loss – or simply earwax – affecting your connection this season.
