Angel Ariel Lionness of God

Archangel Ariel exists to protect and care for plants and animals. Now, the archangel known as Ariel—the Lioness of God—is reimagined in a breathtaking sculptural tribute... a divine guardian whose ethereal energy flows through earth and sky, leaf and stream, creature and soul.

From the tips of her majestic, outstretched wings to the flowing folds of gown that catches the light in dazzling hues of the rainbow, every detail of “Angel Ariel” reflects the beauty of the natural world.

Golden accents match the radiant strength of the Angel Ariel.

Golden armor graces her shoulders and wrists while her matching staff glimmers in her grasp, an emblem of her sacred role as guardian and guide. Resting above her serene face is a golden wire halo, gently framing her features and illuminating her divine purpose.
