# Shootings in Decatur

Police report there were 26 shootings in Decatur during the first six months of this year, the lowest number for that time period in the last five years. Data from the Decatur Police Department shows the number of shootings reported each month since 2014, including both "attempts" to shoot someone and "hits," when a person is struck by a bullet.

NUMBER OF SHOOTINGS ■ 2014 ■ 2015 ■ 2016 ■ 2017 ■ 2018 ■ 2019
