Dear Families,

It's with great regret I must inform you that the Adele P Glenn Early Childhood Education Center at Richland Community College will close effective May 19, 2017.

In light of the current budget deficit, the College has decided to suspend childcare services. I understand this may cause hardships for families and will assist as possible in finding new options. Below you will find information regarding other centers and preschools. Please let me know if I can be of any assistance.
