site footprint

ABOUT THE SITE

LyondellBasell's Tuscola Plant began production in 1953 and is located 113 miles from Indianapolis. The plant is the only synthetic ethanol manufacturer in North America. Site expansions include the construction of a new powerhouse in 2017 and the installation of new reactors and a control room in 2016.

ECONOMIC IMPACT

\$78.2 million

Estimate includes yearly total for goods & services purchased and employee pay and benefits, excluding raw materials purchased (basis 2016)

COMMUNITY ENGAGEMENT

LyondellBasell is committed to being a responsible, good neighbor in the communities where we operate. The Tuscola Plant supports the community by volunteering in projects such as the beautification of the Tuscola Park District.

ABOUT LYONDELLBASELL

LyondellBasell (NYSE: LYB) is one of the largest plastics, chemicals and refining companies in the world. Driven by its 13,000 employees around the globe, LyondellBasell produces materials and products that are key to advancing solutions to modern challenges like enhancing food safety through lightweight and flexible packaging, protecting the purity of water supplies through stronger and more versatile pipes, and improving the safety, comfort and fuel efficiency of many of the cars and trucks on the road. LyondellBasell sells products into approximately 100 countries and is the world's largest licensor of polyolefin technologies. In 2018, LyondellBasell was named to Fortune magazine's list of the "World's Most Admired Companies." More information about LyondellBasell can be found at www.lyondellbasell.com.
