"We (Clinton) played poorly on defense tonight. We had little help defense and that allowed lots of dribble penetration, which led to lots of shots in the paint and too many fouls on those shots. They capitalized at the FT line. Offensively we continue to struggle to get in a rhythm, and our being out of sync has led to costly turnovers. We have to get back in our gym next week and work on these things to improve as we go forward. Meanwhile, we'll regroup and try to get back on track as best we can tomorrow."
