Comments:

The girls shot the ball really well tonight at 63% overall and 47% from behind the arc. Everyone got to play and they did a nice job on both ends of the floor. Emily White was a force from the outside as she connected with 4 three pointers. Avery Still was tough inside for us as she made 8 for 11 of her shots. Lilly Null played tough defense leading the team in steals and distributed the ball well as she had 6 assists.
