

Last night versus Mahomet was an exceptional game. Both teams were evenly paced and fought for every goal they had. The first half was clean, with smart passing and our defensive lined played the best soccer so far this season. The second half was equally impressive but we got caught on a weak side quickly, with back to back goals in under two minutes. We adjusted and continued the back and forth play. They managed to sneak one more goal in, off of a very impressive shot. Though EHS lost this one, it has shown how much improvement we have sustained over the course of the season. The last time we played this team, we struggled from the get go, last night we looked like we belonged as competitors to any team.

Bryan Angel had two goals. One was especially nice as a solid shot from Josh Bowlin hit the goalie and bounced back. Bryan then crashed the net and had a nice volley into the back of the net. Brandon Duncan had 13 saves and played very well tonight in part with the defensive line.
