PSA: Restore Illinois Phase 3

As we move into Phase 3 it is important to remember that COVID-19 is still in our community and we must continue to protect ourselves and the vulnerable population.

Tips to support our community:

- Be respectful of the guidelines set by businesses which may include limited customers inside, wearing face coverings and hand washing/using hand sanitizer.
- Allow extra time and be patient due to increased cleaning standards.
- Call ahead or check social media for their guidelines, new hours and call ahead options.
- Stay home if you are feeling sick or have been exposed to someone with COVID-19.
