RE: New School on Lincoln Park Drive
Proposal for Services

Dear Kent:

Martin Engineering company is pleased to provide you with this proposal for land surveying services for a new school site to be located on Parcel 04-12-15-376-036 in Decatur (see attached aerial image). Basically, we will survey the entire parcel with the exception of the timbered area south of Lincoln Park Drive.

We propose to provide this boundary and topographic survey for a Lump Sum Fee of \$12,300. This includes a 3rd Party private utility locator. If this is acceptable to you, please indicate in the space provided below. We appreciate the opportunity to work with a Decatur Public Schools yet again. We look forward to collaborating on a successful project!

Respectfully,

MARTIN ENGINEERING COMPANY
