"We (Clinton) turned the ball over too frequently tonight. Honestly, Delavan was having the same sort of issues as well, but they scored on a few more of their takeaways than we did. They also had much more scoring balance than we did. There was a stretch in the second half in which we were down 39-31 and had 3 straight defensive stops, but we came away empty handed on the offensive end. We just couldn't get the game back to a 1 or 2 possession affair. Our guys played hard and battled, but Delavan was just a bit better than us tonight."
