NORWOOD INSURANCE AGENCY: BACK TO BACK BEST

5th Generation Family Business - 5 Star Service

Norwood Insurance Agency is one of the longest continually operating Insurance Agencies in Merrimack Valley and New England.

From Norwood Insurance Agency's founder John K Norwood who started this agency in 1868 after returning with a bullet wound at Gettysburg where a rock bears his name, to the most recent leadership of Brian & Melissa Bevelaqua Connell, protecting our clients' families and assets has always been the number 1 priority.

The agency changed hands from the Norwood Family to Anthony "Tony" & Katherine Bevelaqua in 1930. After the passing of Tony in 1940, his wife Katherine lead the agency through World War II and later handed the reigns to her son Burke Bevelaqua in the 1960s when he relocated the office to his hometown of Groveland, MA. Burke oversaw the largest growth in the agency by expanding from Norwood Insurance to add Georgetown Insurance, Amesbury Insurance, and later cofounded West Newbury Insurance Agency. Eventually he diversified into real

estate and sold off the latter 3 agencies but kept the crown jewel, Norwood Insurance. Upon Burke's passing in 2000, Peter Burke Bevelaqua took over

size of agency since 2017, but the best is our future, the next generation, Charlie & Caroline Connell (pictured). We cannot be prouder of our

of Commerce and (as pictured) receiving citations from the Massachusetts State House, the Massachusetts House of Representatives, and the Massachusetts State Senate.

the agency and ran it until 2017 when upon his sad and untimely passing the torch was passed to his sister Melissa and her husband Brian who continue to build upon this world class agency with the expert team of insurance professionals and have more than doubled the

team, our legacy, our growth and the outstanding service to our clients being recognized as the number 1 Insurance Agent in Merrimack Valley by the Eagle Tribune, the Haverhill Gazette, and also being awarded the Number 1 Service business by the Merrimack Valley Chamber

With prices going up on everything these days, give us a try, we are happy to shop for you to dozens of insurance carriers and more importantly you'll get the best service in the industry!!!

Call or text us at 978-372-5921 or email us at service@norwoodinsurance.com and we would be happy to help you!

Norwood Insurance Agency provides home, auto, boat, health, life, and all lines of business insurance in Massachusetts, New Hampshire, Maine, and Florida.

Welcome to the 26th Anniversary of the Haverhill's Best publication. Before we dive into the results we wanted to take a moment to thank the thousands of readers who took the time to participate in our poll. Without all of you, this would just another one of THOSE surveys instead of what it is . . . a celebration of our amazing City of Haverhill!

Every year, the Haverhill Gazette asks their readers to acknowledge the best businesses, places, and people in the Greater Haverhill area. It has grown from a fun local polling to an annual event in which thousands of you voice your opinions and the very best are recognized. The city is growing and THIS is our annual moment to celebrate new and long established restaurants, retail shops, event and even our community leaders.

Over the past 26 years, Haverhill has grown into a true destination place with a thriving restaurant scene, events that draw thousands, and people who spend a great deal of their own time making the city even better. Whatever your palate; Italian, Tex-Mex, or just a great pizza, you will find it here. If you enjoy a big musical event, wonderful holiday events, or even an outdoor dining event for an amazing cause, you will find it here. And if you are looking for a community that is diverse, welcoming, and still growing, you will find it here.

We hope that this year section will be a guide to all of the best that Haverhill has to offer. You will find profiles of the top ten restaurants and acknowledgement of over forty establishments. Also, details about the best events and the best places to go, and literally hundreds of reasons to explore our city. When you do visit any of the restaurants or businesses being acknowledged or bump into any people being recognized, please congratulate them. The competition in most categories is fierce, so they have truly earned this acknowledgement.

Their menu still has everyone's favorite dishes such as Lobster Ravioli, Bolognese, Pollo con Limone and Pollo Ripieno but with some great new favorites, such as the new Meatball Flight appetizer featuring house-made veal, pork and beef meatballs served in three delicious sauces and an apricot orange liqueur glazed Statter chicken breast. When the whole essence of your being revolves around pizza every day, it is inevitable that passion turns into a colossal obsession. Chef and Owner Matt of the Solid Slice Pizzeria & Pub can attest he eats, breaths, and dreams about pizza. Matt launched into a dedicated creation quest to develop a "solid" slice of pizza!

Working his way up in his family's restaurants to eventually become the Head Chef, Matt discovered one of his absolute favorite things was when customers complimented him on his food being "the best they ever had" and what a huge appreciative high that was to him. He strives to bring

love into the food he cooks. "Cooking is a passion, not a job"

Matt gets his love of cooking from his mother Sue, his business partner of the Solid Slice. After several challenges in finding its home, the Solid Slice Pizzeria & Pub found the location in 653 Broadway, Haverhill, MA.

PLACES TO GO

Best scenic places

The Winnekenni Park Conservation Area

More than 700 acres of unspoiled beauty with several miles of walking trails around the reservoir. You can hike up to the famous castle, over to the Plugs Pond beach and swimming area, and even stumble upon the remains of the Birchbrow Estate (the home of Haverhill's leather titan, Thomas Sanders – who was also the primary financier of Alexander Graham Bell). It is also a bird watcher paradise with geese, herons, hawks, and even bald eagles to be seen.

Boardwalk and Rail Trail

The boardwalk in downtown Haverhill (overlooking the Merrimack River) will take you from Harbor Place to Washington Square into historic downtown and just a short walk to many the very best restaurants.

Across the river is the Bradford Rail. It was constructed along the former Georgetown Branch of the Boston and Maine Railroad and runs along the Merrimack River in Bradford, MA. It runs nearly a mile along S Elm St. until reaching Washington Landing Park, which has signage commemorating President Washington's visit there in 1789. Along the route, trail users will find an old relic of the trail's railroad history. The trail features a telltale, a warning device that warns old brakemen to lay down for an incoming bridge.

Winnekenni Park

The Whittier Birthplace

Organized in April 1893 to preserve the historic landscape, house, and other buildings as nearly as may be, in the same condition as when John Greenleaf Whittier lived on the farmstead and to provide public access to the property so that the legacy of Whittier's literary and abolition works may be remembered.

Today the Museum offers a full calendar of events including poetry readings, artist demonstrations, summer storytimes for young families, school field trips in the spring and fall, tours (May-October), and more. Our 68 acres of

woods and farmland are open to the public year round during daylight hours for hiking, snowshoeing, picnicking, and other non-motorized recreation. Dogs on leash are welcome. Tour times must be reserved through our website.

The full event calendar and tour reservations are available at whittierbirthplace.org.

Riverside Park

Riverside Park fits the definition of a Public Park almost perfectly. There are a multitude of fields for a variety of activities from sports, predominantly baseball, to other, more leisurely activities. Its most defining feature has to be the stadium which

was constructed in 1936 and later improved in 1937. With the park being what it is there is not a lot of space for tall trees. Red Oak and Red Maple dominate this park, but you may be able to find a couple other species too. The park is right next to the Merrimack River and the newly laid walking paths make it a beautiful trail for all ages. During the winter months, and if you're lucky, you may be able to find our national bird, the Bald Eagle, soaring over the river in search of fish and waterfowl to eat. During warmer months, you may be able to spot Turkey Vultures in small groups over the river hunting as well.

In its 47th season the Haverhill Farmers Market is every Saturday from 9-1pm at 10 Church Street at the Bradford Common in Haverhill. The farmers market sells a wide variety of local products such as farm-fresh fruits, vegetables, delicious baked goods, chocolates, pierogies, hummus, local wines, maple syrup, honey, fresh breads, handmade soaps, candles, doggie treats, and much more. In addition, you can even get your knives and tools sharpened at On Edge Sharpening while browsing at the farmers market. It truly has become the premier farmers market in the Merrimack Valley.

The Longest Table

August 24th 6pm-10pm

The Longest Table is Haverhill's most exciting outdoor dining event of the summer. The event is a partnership between local nonprofit

L'Arche Boston North and restaurants in Greater Haverhill. Each restaurant prepares an exclusive three-course menu for their section of the Longest Table, which reaches over 300ft in total. While the meal is the main attraction, the event also includes live music, a DJ, cash bar, and dancing after dinner. The Longest Table builds community by inviting guests to join their friends, neighbors, and

complete strangers around a shared table. In its five years in Haverhill, The Longest Table has popped up in different parts of the city, from the Dempsey Boardwalk overlooking the Merrimack River to a golf course in Bradford to the Wingate Street Arts District. The Longest Table is a fundraiser for L'Arche Boston North, a local nonprofit that supports adults with intellectual and developmental disabilities, envisioning and inspiring an inclusive world that celebrates the gifts of all people.

and the Riverfront Cultural District; to boost the local economy; and to boast about what Haverhill has to offer. It is the best day to be in Haverhill!

VFW Santa Parade

Sunday, November 23rd

This year is the 61st Anniversary of the longest running and very best Christmas Parade north of Boston. In actuality, the very first Macy's Parade was held in Haverhill and the VFW has been carrying this tradition for the past sixty years. The parade runs down Main Street in Bradford, over the Basiliere Bridge, and make a right turn into downtown. Each year it is filled with multiple high school marching bands, drum & bugle corps, floats, and a wide assortment local businesses and community organizations participating and celebrating the season.

Congratulations to all of this year's winners from all of us

HAVERHILL'S BEST BAKERY

When you visit Dar Rafiki's Bakery you will find freshly made pastries, made-to-order sandwiches and plates, and traditional yogurt drinks and even coffee!

The cubes have become Dar Rafiki's signature dessert. Made from a laminated dough (blocks of butter are pressed between sheets of flour to combine and create the most amazing flaky layers), they are filled with fruits and pastry creams.

For something savory, try the **Chicken Killer**. This dish of saffron- and turmeric-inflected rice, a layer of fried-to-order pommes frites, homemade seasoning, garlic sauce, shredded chicken, and salad. And finally, a house-made pickled onions, tomatoes, and feta cheese. Every bite is glorious in texture, flavor, and Moroccan heat.
