

Town of Boone

Watauga Medical Center

Land for three pocket parks along the route has been secured.

Landowner outreach and fundraising efforts are being led by a group of community leaders.

Payne Branch Park

Goldmine Branch Park

Approximately one mile of the MFG is complete, stretching from Tweetsie through Mystery Hill, under highway 321 and through Sterling Creek Park.

Moses Cone Memorial Park

Surveying and preliminary engineering are complete for the next phase of the MFG to be opened, a 1.3 mile segment in Blowing Rock connecting the town with the Blue Ridge Parkway, Mountains to Sea Trail and a planned acute care facility. Land access has been secured for this section and permitting and construction will soon be underway.
